

GOSPEL OF JOHN – PART 2 // SERIES SUMMARY

John's account of Jesus' life can be summarized in one word, BELIEVE. As a disciple and eyewitness to Jesus' life, death, and resurrection, John heard and saw the stories, sermons, conversations, and miracles of Jesus firsthand and states that he didn't even include them all except the accounts that would help people believe that Jesus is the Christ, the Son of God! Today lots of people talk about belief and believing, convinced that the act of believing alone will, no matter what, improve lives and communities. There's a belief in 'belief'. But according to John, belief in Jesus is the goal and not only will believing in who He is and what He has done change a person's life deeply and profoundly, it will produce real and eternal life.

During this sermon series, we will examine John's gospel in its entirety and our prayer is that by God's amazing grace, we will believe not only the signs and wonders performed by Jesus, but in the only One who promises and can provide life - life to the full!
