

# AMOS

## Sermon Points

Week 3 - 8.27.23 | Tyler Wilson

Title: Return to Me

Scripture: Amos 3-4

Main Point: God's warnings are serious wake-up calls to the severity of our sin and to the life-saving repentance of returning to Him.

Shortcuts to repentance:

#1 - Behavior Modification - Quick external attempts to fix our actions and behavior

#2 - Worldly Sorrow - Feeling bad about sin's consequences and wanting relief

Israel's 3 Sins:

#1 - False Worship (FORGET GOD) - spiritual compromise and complacency

#2 - Materialism (REPLACE GOD / LOVE SELF) - Self-indulgent pursuit of worldly comfort, ease, and possessions.

#3 - Devaluing People (LOVE SELF OVER OTHERS) - Oppressive disregard, neglect, and lack of compassion and justice towards people.

**Christians aren't perfect people - they're repenting people.**

**What are you repenting of in your life right now?**

To repent, we must grieve the weight of sin's:

- 1 - Damage inside of you
- 2 - Impact on others around you
- 3 - Attack on God Himself
