COMMUNION

Join us on these Sundays

Sunday, **September 3**
Sunday, **October 1**
Sunday, **November 5**

Dear Brownson Church Family,

I was moved by Share It Sunday a couple of weeks ago. I thought the children and youth did such a great job! I want to say thank you to all who participated and shared their gifts.

I wanted to point out something that you might have missed, but it was a consistent theme from the young kids to the high schoolers. It was this simple message, "Thank you!" I heard them say to you, "Thank you" for investing in them. Thank you for letting them share their experiences in worship. Most of all, they said thank you for helping them go to Montreat, Massonetta, and Camp Monroe and to serve through the Appalachia Service Project. These experiences could not have happened without you. Now, here is what I want you to know - Kelli and Erin did not ask them to say thanks to you. It was a genuine and heartfelt message of gratitude from them to you. I want to add my voice to their voices to say thank you for your prayers, support, and investment in these young people so they may know the love of Jesus Christ.

I am so excited about a new programmatic year coming up in September. There are so many good things going on at Brownson:

- The all-church retreat coming up in September will be great!
- I know the adult discipleship team is working hard on a new small group series coming up in October. It will be on Psalm 23 and entitled The Lord is My Shepherd: Provision and Promise for Daily Life. I hope you will join a small group. It is a great way to meet others and grow in your faith (more information is coming soon).

• We also have some all-church meals coming up in the fall, which should be a fun way to all be together!

• Also, we are going to be offering spiritual direction groups with Rev. Sue Hudson and a creative small group using the arts, which is being led by Ally Markotich (a well-known artist and member of the church).

• Classes, kids, and youth programs kick-off September 10.

• Congregational Care has created a new welcome team.

• Property and Grounds has created space for an outdoor basketball court and a "gaga" ball pit, which the youth will love. I also want to thank the property and grounds team for how they have supported the BLC (which has full enrollment with a waiting list and opens its doors on September 5).

• There will also be an interest meeting about the 2024 Holy Land trip on September 10. It should be a great experience.

Also, just to note, at each Session meeting, we continue to welcome new members of all ages, which is wonderful. I have noticed something, and maybe you have as well, and that is the number of baptisms. Can you believe this year we have had 14 baptisms and we have three more coming up before the end of the year?

As we begin a new programmatic year, I am so grateful for you and all that God is doing at Brownson. It is an honor to serve among you.

Grace and peace,

John

P.S. Remember, on September 10, we will go back to two services (9:00 and 11:10). That Sunday is going to be great! All classes kick off for children, youth, and adults. Remember Higher Grounds at 10 AM. It is going to be a wonderful Sunday! Join us!

SESSION DIGEST

The Session of Brownson met on Monday, August 21 at 6:30 PM where we welcomed four new members: Barbara Eidam, Cathy Crocker, Patrick, Stephanie and Marek Soderlund.

The Session was led in a devotional by elder John Bullard.

The Stewardship Ministry Team presented an action item to update their section of the Manual of Administrative Operations, and their changes were voted on and approved.

The Worship Ministry Team brought an action item forward to recommend a guest preacher for Sunday, September 24 while our staff and pastors are on the Church Retreat. Rev. Carolyn Helms was voted on and approved to serve that day.

Commissioners were voted on and approved to attend the full Presbytery Meeting on October 7. They are: Charlene Kinelski, Dixie Parks and Beverley Pellom.

2024 Holy Land Journey Trip Interest Meeting SEPTEMBER 10 in Fellowship Hall

Have you ever wondered what it would have been like to witness the events of the Gospels? Imagine being in the boat with the disciples on the Sea of Galilee when Jesus calmed the storm or standing on the Mount of Olives beside a weeping Jesus. We will go where the events of the Bible took place - the Holy Land.

Join us on September 10 at 12:15 PM in Fellowship Hall to learn more about this exciting trip! Lunch will be provided.

Enlightening Conversations: Communities Uniting Against Racism

Far too often, we hear disturbing news reports or read unsettling stories about racially motivated incidents. We may feel overwhelmed at times by the bad news. We may wonder if there is any positive news to be found and where we would find it. Surely there are people working together to build a more loving and tolerant society. But where are they? Where can we go to share our stories and engage in open and honest dialogue about the effects of racism? How can we build a more inclusive and loving community?

Look no further. Right here in Moore County you will have an opportunity to join in a series of Enlightening Conversations about Communities Uniting Against Racism.

West Southern Pines Civic Club and the Bold Initiative Team of Brownson Memorial Presbyterian Church are sponsoring this 10-week series on Zoom beginning September 12 through November 14. Each Tuesday session will take place from 6:30-8 PM. The series is free of charge and open to all.

Each week will feature a video of our Moore County neighbors followed by small break-out sessions where we can share our stories, attitudes, and reflections on racism. Conversations will take place in a safe and respectful atmosphere in which everyone can engage in honest and open dialogue. It will be a space where we can listen non-judgmentally and develop greater understanding and acceptance of others.

By engaging in these Enlightening Conversations, we can create positive news stories about race relations in Moore County, North Carolina, that will carry us forward with a renewed sense of hope and purpose.

The West Southern Pines Civic Club was established in 1943 to improve the quality of life for Black citizens of Southern Pines. Kim Wade serves as the current president.

The Brownson Bold Initiative Team is an ecumenical group that supports honest dialogue and collaboration around issues of racial and economic disparity in our community. The goal is to build bridges in the spirit of friendship, goodwill, understanding, hope, healing, and reconciliation, while celebrating the richness of our community's diversity.

A Bit of History

The Women's Auxiliary of Brownson Memorial Presbyterian Church, now known as Presbyterian Women, was organized on the afternoon of March 19, 1936, at the home of Mrs. R. S. DuRant, also first Moderator. Bible Study and Missions have always been central to PW throughout the history of Brownson. With approximately 100 members, today's PW continues their focus on Bible Study with "Sacred Encounters": "Jesus and Jesus' disciples who shared the Good News through sacred encounters with everyday people." Olive Mahabir, author.

Why Study Luke-Acts?

- In Luke-Acts the message of Jesus Christ includes all people.
- For Luke, Jesus was an inclusive leader and Christianity was an inclusive movement.
- Luke-Acts demonstrates the unfolding of God's redemptive purposes in human history and provides a distinctive perspective on the person and work of Jesus Christ.

Gail Camerson, Spiritual Nurture Chair, will be presenting an overview of Sacred Encounters and Lesson One: Elizabeth's Sacred Encounter at the first PW Gathering on September 18 at 11 - 12 PM in Fellowship Hall. Main Idea: God calls for us to make ourselves available for God's purpose.

Copies of *Sacred Encounters* and updated Directories will be distributed by circle chairs at the September 18 Gathering.

Connect with a PW Circle...with Membership Chair Linda Hamel at 910-684-8627

These Days: Daily Devotions for Living by Faith: Circle Chairs, please pick up your copy in the PW Box in the Church Office.

A copy of the summer edition of Horizon is available for each PW circle in the Church Office: HOLISTIC HEALTH..."Scripture provides many examples of God's calling the community of faith to attend to our collective health and wellbeing... Just look at Deuteronomy and Leviticus...God intends for all of us to thrive, together." M. Marsh

Stephen Ministry

Brownson Church is honored to be one of more than 13,000 congregations worldwide whose impact is to increase care and outreach to hurting people. Please find below stories from Care Receivers and the impact their Stephen Minister had on them and the difference that was made in their lives.

"I needed to know that there was one person in the world who knew the good, the bad, and the ugly about me—and still cared for me. Experiencing that through my Stephen Minister was a tangible expression of God's love. It changed my life."

"My Stephen Minister listens—really listens. He doesn't judge me or tell me what to do but walks side by side with me. I never realized how helpful and healing that can be. With his care and support, I'm making it through."

Through Stephen Ministry, congregations are able to equip and empower a team of laypeople—Stephen Ministers—who provide one-to-one, Christ-centered care to people experiencing grief, health issues, divorce, spiritual crisis, job loss, infertility, or other life difficulties. Since Stephen Ministry began in 1975, millions of people have received care from a Stephen Minister.

Give yourself or someone you know the gift of a Stephen Minister and feel your life being transformed by the grace of God. Please reach out to Elizabeth Doolin for information and support through our Stephen Ministry program.

Congregational Care

Phone Call Team

The Congregational Care Team is looking to begin a Phone Call Team! Our hope is that every member of the church will receive a friendly phone call from this team over the next year. If you enjoy connecting with people by phone, we would love to have you as a part of this team sharing God's love and living into our commitment of caring member to member.

Please contact Darlene Bostelman at assist@brownsonchurch.org if you would like to join this team!

Visitation
A Ministry of Brownson Church

Ministry Spotlight

Visitation Ministry

For this edition of the Bells, I would love to highlight the work of our Visitation Ministry Team! This team visits our homebound members, offering care and connection to those who can no longer physically attend church. This work is so important to the life of the church. Through their visits, our Visitation Ministry Team ensures that homebound members are still connected to the life of the church, and are still a part of the church family, offering a visible sign of Christ's love and care for all people. Visitors are typically partnered with one or two homebound members who they commit to seeing once or twice a month. Through this continuity of care, meaningful relationships are developed between visitors and their partners.

A new resource that the Visitation Team offers is our monthly Visitation bulletin and quarterly visitation devotional. These materials provide scripture, artwork, prayers, and hymns in an easy-to-read format tailored to the needs of our members who may be dealing with memory loss and/or difficulty reading. Even if you are not a member of the Visitation Team, you are welcome to pick up a bulletin or devotional from the church office to share with someone you think would benefit from these materials.

Our Visitation Ministry team is doing important work, but we do need more people on our team to provide care to everyone who has requested a visitor. If you would like to join our team, contact our team leader, Cheryl McNeill, at cherylmcneill13@gmail.com.

BROWNSON KIDS

Brownson Kids

Brownson Kids had the most amazing summer! From Vacation Bible School, two weeks of Community Camp, a wonderful week at Mission Possible Camp, and Family Splash Pad night, it was definitely a summer to remember. It has been wonderful to hear the different ways our children's lives were impacted - they've made new friends, grown in their faith, grown as individuals, and had more fun than imaginable.

As summer comes to a close, we are excited to move into a more consistent

time of routine and togetherness with our fall kids programming. Everything fall begins on September 10 with Kids Worship at 9 AM, Brownson Connect Groups in conjunction with Higher Grounds at 10 AM, Family Worship at 11:10 AM, and our evening programs beginning at 5 PM. To allow families who have children in both kids and youth programs, our first night will simply be a night of fun with our parent meeting on September 17. We are also looking forward to our Brownson Church Retreat and children participating in the fall small group series together.

What a blessing it is that we have so many children and their families at Brownson! Each week there are 10 - 15 babies in the nursery, with equally as many in Kids Worship and others in the worship service. Because of our growing ministry, we are thankful for Miss Trina's help as we continue to foster faith formation for our littlest friends, and as we continually strengthen the partnership and opportunities between Brownson Church and Brownson Learning Center where she will work on a very part time basis. When you see Trina on campus - please give her a warm welcome

Brownson Music Ministry

Music is a universal language, and throughout history has been used to enhance our worship of the Lord. It can comfort those in mourning, bring peace to the conflicted, and bring further joy to the exalted. This fall, the Music Ministry is focusing on using a variety of music to enhance the worship of God, and we would like to call upon the people of Brownson to help us accomplish this goal.

In the coming weeks, you will see information in the bulletin about opportunities to serve with the Music Ministry, such as Chancel Choir. This group, the “main” choir of Brownson, meets on Wednesday nights at 7 PM in the Choir Room, just under the sanctuary, and on Sunday Mornings at 8:15 and 10:30 AM. The Choir is open to any singer from High School through Adult that has a desire to lift your voice to the Lord. There are also plans in place for separate men’s and women’s ensembles, as well as opportunities for youth.

We also have opportunities for those of you that do not sing but would like to play an instrument in worship. The popular Brownson Brass Ensemble will be making a return this coming Christmas season, and we are in the early planning stages of establishing the Brownson Wind Ensemble this spring. More information on these ensembles will be provided in the worship bulletin and on the Brownson website.

If you feel called to serve in any of these ensembles in the Brownson Music Ministry, please contact Matthew Franks, Interim Director of Music at bmpcmusic@gmail.com.

Brownson Youth

A Full Summer of Events

We are getting ready to kick off another year of youth events! Everything will start on Sunday, September 10. All youth and their parents are invited to meet in Fellowship Hall for dinner at 5 PM. Parents will have a quick meeting to go over important information for the year, get paperwork and learn about the calendar of events for Brownson Youth. All youth will play some games, get to know each other and their adult leaders, and get creative with some tie dye to kick off the year. Please join us for this fun event! We have so many wonderful things in store for Brownson Youth this year and we want you to be a part of it!

Brownson Youth had a full summer of activities, retreats and camps. We served hundreds of kids at VBS. We had a great time connecting at ice cream nights and coffee breaks. We learned about the 23rd Psalm, braved some rustic cabins, and flew down the giant slip-n-slide at Massanutta. We hiked, swam, saw some bears, and dove into what Joy really is at Montreat. We served, sweat, and loved our neighbor through Appalachia Service Project. We painted, played gaga ball and enjoyed pool parties in August. What a great time it was!

Learning Center

Summer is coming to a close, and with it comes lots of change and excitement at the Brownson Learning Center! We will reopen to students on September 5 and we are more than ready to welcome our wonderful families and students back into our building. Our mission at BLC is to provide a developmentally appropriate early-childhood education to our youngest community members, all while sharing the good news of Jesus Christ with them throughout their time here. Please pray with us that each child and family that joins us this year would know this truth deeply.

If you know of a family still looking for a preschool home, please have them reach out! We still have openings in our PreK/ four-year-old program and would love to connect with them. Scholarships are also available.

If you would like to support our wonderful teachers and students, please consider donating supplies by visiting our Amazon Wish List at <https://a.co/7cQZPUH>. Our ministry is only possible through the wonderful support of our congregation and community and your generosity is so greatly appreciated by us all.

Adult Discipleship

The 2023-2024 programmatic year kicks off on September 10, and we are so excited about the many faith formation opportunities available this year.

We have offerings on Sunday mornings, along with mid-week studies to fit your schedule. If you're looking to grow in your faith journey amongst a community of friends, we encourage you to attend one or several of these offerings. Whether you've been at Brownson for decades or you're just visiting, there is a place for you!

If you have any questions or need assistance connecting to one of our adult discipleship offerings, please reach out to Austin Vernon at discipleship@brownsonchurch.org or call 910-692-6252.

Connect groups offer the friendship of a small group, the fellowship of a large group, and the depth of Sunday School.

Take a step toward deeper discipleship by joining a connect group!

Brownson Connects, our Sunday morning program, will meet at 10 AM in the atrium. After connecting with friends over coffee and donuts at Higher Grounds, children, youth, and adults will break off into their respective classes, which are called connect groups. You can find a list of adult connect groups below.

The Living Word Today (hybrid) - This connect group takes a non-partisan approach to Bible study, looking at current events through the lens of our Christian faith. Weekly discussions are based on The Wired Word curriculum, which pairs current events with scriptural insights. Join us on Sunday mornings at 9 AM in Conference Room A or on Zoom! Meeting ID: 825 8501 9818. Passcode: 664945.

Donuts and Devotionals - This connect group explores a wide variety of biblical passages and themes through informal discussion. Bring your coffee and donuts to Conference Room C and join the conversation! Led by Austin Vernon.

Women of the Way - This women's connect group focuses on spiritual practices that encourage us to live out our faith in deeper ways. The first study will be on Soul Feast: An Invitation to the Christian Spiritual Life by Marjorie J. Thompson. All women are invited to join the conversation in the Parlor on Sunday mornings! WHAT ARE Spiritual Direction groups?

Dear Sisters and Brothers in Christ,

It is a joy and privilege for me to offer members of Brownson an opportunity to meet in a small group for Spiritual Direction this fall. We will begin with two groups of four people and will meet once a month for four months. Each meeting will last about two hours. This is an “experiment” to see if God is leading us into this spiritual practice as a church family.

These groups will be “safe space.” Everything said in these meetings will be held confidentially among the people in the group. It is not a book study, or a Bible study, but an opportunity for Spirit-centered Soul Care of ourselves. My impression of the Brownson community is that there are many hard-working and self-sacrificing servants of the Lord Jesus Christ. If you are like me, we sometimes reach a point on our spiritual journeys when we are empty and need to be re-filled with God’s living water. That is the purpose for these groups.

We will practice silence, prayerful listening, and spiritual discernment together. Each person’s voice will be heard and valued. We will not be giving advice to each other, trying to fix someone else’s problem, or solve dilemmas. We will be listening to the voice of the Holy Spirit at work in each other’s lives. Our commitment will last four months: September – December 2023. I do not know yet the days or times when we will meet but will be open to suggestions about what would work for the individuals who sign up for these two groups.

The image of “Bursting Forth” is an expression of my own Soul Care. I attended a weekend retreat at the Trinity Center in Emerald Isle where Ally Markotich and Monica Hix co-facilitated a retreat on the theme: “Mothering Myself.” Bursting Forth wrote me a letter from which I will share a brief quote:

“Sweet Sue, be you. As yourself, you are a gift. Let go of the Spirit-bird in your hands from your deepest self and let her fly free....”

Others can rest in your embracing nest to find solace, affirmation, to renew, refill. You can be a portal, a spicket of grace for others, as well as for yourself. Spray the hose of my endless love and grace back upon yourself, as the glistening drops of water sparkle in the sunlight. Nest of grace, soul on fire, be Sue; be you! You are ‘fireworks.’”¹

Please sign up in the church office with Sandra if you are interested in being part of one of these groups and give me a way to contact you.

In Christ,

SOULCARE

Bring Psalm 23 Alive with **Color, Heart & Soul!**

Come and refresh your BE-ing as you create your personal Psalm 23 storybook. Take time to slow down as you are guided with intentional writing and creative prompts that will woo the wisdom of your still, small voice to each page. Each week (for six weeks), we will create one page spread based on each verse of Psalm 23. With color, symbol and your own words, you will connect to this Psalm in a way that resonates with your own heart. Experience creativity as a prayerful way to connect to the love of God. Led by local artist & practitioner of creative formation, Ally Markotich, heal the story that “you aren't creative” and dive into a time that threads you to your inner divine spark. No art experience necessary; only a willing heart. Max of twelve participants. Offering begins in October during the Fall Small Group series.

Missions **local**

Brownson Local Missions

Members of Brownson, including Ginger Monroe and her children Janie, Charlie and Hunter, distributed free books, snacks, and parent literature at the Southern Pines Pool Park in July! The C.A.R.E. Group sponsored Summer Reading Stations all over Moore County in June and July. Local Missions Ministry Team partners with activities of the C.A.R.E. Group.

The Local Missions Ministry Team also partners with The Boys & Girls Club of the Sandhills and were pleased to attend the ribbon-cutting ceremony at their fourth location in Kennedy Hall at Sandhills Community College. One of the main goals for this location is to offer childcare for employees and students at SCC so they can pursue their career ambitions.

The Food Bank has moved their warehouse to 181 Ridgeline Dr in Aberdeen. In August, volunteers bagged sweet potatoes for neighboring food pantries. We will continue to volunteer on the second Tuesday of each month. Our Brownson Buddies Homework Helpers program will begin its second year starting in October.

If you're interested in helping a 3rd or 4th grader with reading and/or math, please contact Austin Vernon at discipleship@brownsonchurch.org. Please prayerfully consider giving a student an hour each week of your caring attention!
