(Romans 5:12–21)

- **In Adam** — sin entered, death spread, condemnation came.
- **In Christ** — grace overflowed, justification came, life reigns.

> "Where sin multiplied, grace multiplied even more." — Romans 5:20

Sin and death do not get the last word. **Grace does — through Jesus.**

IN THE WORD AT HOME

1. **This week** — Take time this week to look at the connections: *Where is Jesus in this?*
2. **Write it down** — which link between Genesis and Jesus struck you most, and why?
3. **Answer honestly** — are you *in Adam* or *in Christ*? That is the only question that finally matters. *"Look, the Lamb of God, who takes away the sin of the world!"* — John 1:29
