Welcome

October 2, 2022

Today, we continue our journey of faith with Abraham and Sarah by looking at Genesis 12:5- 20. As you heard last week, God chose a man and woman, who unlike Noah (Genesis 6:8-9), were not seeking God, to become examples of what great faith in God looks like. Think about that. Maybe you can relate. God chose Abraham, who had no faith, to become the father of faith.

However, as you will soon see, Abraham did not go from no faith to great faith overnight. It was a process taking more than 50 years to complete. If you feel your faith is weak, if you are experiencing a lapse of faith right now, take heart, we will look at what God did when Abraham's faith grew skinny. I encourage you to read Genesis 12 in preparation for this morning's sermon.
