

WHO ARE WE?

On October 4, 1958, a group of about 100 Christians from downtown Los Angeles sensed God's leading to begin a new church ministering to families in West LA. With a heavy burden on their hearts to share the Gospel of Jesus Christ and show God's love to this area of the city, the group purchased this land we stand on today in Playa del Rey and held their first worship service on August 30, 1959. We continue to believe that God deserves to be worshiped here and desire to reach out to the people of Los Angeles to show them how real He is and how graciously amazing His love is for His people.
