

MISSION IMPOSSIBLE?

Luke 1:37, Matthew 19:26, & Mark 9:23

Sermon Summary

God has shown us over and over that He is a miracle-working God. We should not be afraid to ask the God of Possible to intervene in the big and little things of our lives. We still have to trust Him in that He has a will that is not always our plan. He still wants us to remain faithful no matter what, but it certainly is never about whether He can do it because He is the God of Possible.

Sermon Outline

The "Impossible Mission" was that God was a Holy God that must redeem a sinful and wicked mankind.

"For nothing is impossible with God." Luke 1:37

Believe the God of Possible can do anything.

For believers, in Christ, we have already received the greatest miracle which is salvation.

Call on the God of Possible, to help us in our unbelief, to do big and little things in our lives.

Trust the God of Possible to intervene in our lives.

Even if the worst happens God still has us.

Leave the outcomes up to God, and He will do what glorifies Himself the most.

So, what is the mission for you? What is the thing or things that you need to ask God to do in your life?

Stay faithful to Him no matter the outcome. But don't be afraid or discouraged from asking God to do the big and little things in our lives.

Think About It/Talk About It

- What is one big thing that God has done in the Bible that amazes you?
- What is one thing big or small that God has done in your life?
- Have you been asking God to intervene in an area (or areas) of your life lately?
- Do you have an underlying attitude that may be preventing you from asking God for something big?
- How have you stayed faithful to God through big disappointments in the past?
- Because God is the God of Possible, what things will you begin to ask Him for in the New Year?
- How will you trust Him no matter the result of your prayers?
