

LIVE SECURE

Eph. 1:11-14

SERMON SUMMARY:

In recent years, experts have identified that major events and conditions have led to loss of trust. We oftentimes operate from skepticism, and our ability to trust in God has also been affected. How can we know God will really hold His end of the deal? In our passage today, we will see how the Holy Spirit provides that security that God will fulfill his promises.

SERMON OUTLINE:

God's Invitation

God invites us to trust in what he has done, is doing, and will do.

God's Plan

The process of salvation is carried out by each member of the Trinity.

The Role of the Holy Spirit

The Holy Spirit did not indwell all believers in the Old Testament.

Since Pentecost (Acts 2), the Holy Spirit indwells every believer.

The Holy Spirit assures us of our salvation and coming inheritance.

Grow As A Disciple

Reject false foundations of security.

Prioritize your life around your coming inheritance.

THINK ABOUT IT/TALK ABOUT IT:

- Tell a story about when you got a scam call.
- Have you noticed in recent years that you or other people struggle to trust?
- What is the difference between how the Holy Spirit operated in the Old Testament and the New Testament?
- Why does the sealing of the Holy Spirit bring us security?
- What false foundations of security do you need to reject?
- How would you prioritize your life differently if you kept your mind fixated on your coming inheritance?
