

# LIVE IN PEACE

*Eph. 2:11-18*

## **SERMON SUMMARY:**

Life is filled with trouble, but what we long for is peace. How do we bridge that gap? We struggle at times to feel and know the peace of God amidst our circumstances. In our passage today, Paul helps us understand where our peace comes from.

## **SERMON OUTLINE:**

### **A Core Need**

Peace is one of our core needs.

### **The Source of Peace**

Remember being separated from Christ.

Now you are brought near.

Peace comes from being united to Christ.

All people have access to peace.

### **Application**

Beware of false peace.

Become agents of peace.

## **THINK ABOUT IT/TALK ABOUT IT:**

- Talk about a time when you longed for peace.
- Why does Paul encourage us to remember when we were separated from Christ?
- Why is it that peace comes from being united with Christ?
- What are some examples of false peace?
- Why do people pursue false peace?
- How can you cultivate the peace of Christ in your life this week?
