The Oscar Worthy Arrests of "The Squad" and the Durham Report Update

In their overzealous support of killing babies, New York Rep. Alexandria Ocasio-Cortez, Ilhan Omar, and other prominent members known as "the squad" were arrested during a pro-abortion overturning of Roe V. Wade protest Tuesday outside the Supreme Court. The Capitol Police had repeatedly requested the mob to stop blocking traffic, and those requests were repeatedly ignored.

Per the [Western Journal](#), the Capitol Police tweeted this in response to the high-profile arrests, "It is against the law to block traffic..We have already given our standard three warnings. Some of the demonstrators are refusing

to get out of the street, so we are starting to make arrests.”

AOC did not appear to be upset by the arrest, instead she appeared cool as a cucumber and smiling, but holding her hands behind her back giving the appearance of being handcuffed, when in fact she was not. A woman being led away with her in one of the twitter videos capturing the event was heard yelling, “Abortion rights are under attack, what do we do!!??”

Interestingly, Omar’s response to being arrested was almost identical to AOC’s. She had the same demeanor, smile, and also pretended to be handcuffed. It’s almost as if it were staged.

And in fact, it may have been, as according to the Western Journal, the Capitol Police stated they had arrested 16 Congress members during the event. Rep. Jackie Speier told reporters, “We are gathered here today because many of us have never been arrested for anything, but this is something that we all care deeply about.” So you care so deeply about killing babies that you are willing to be arrested and are PRIDEFUL of that fact. These people are sick.

According to the [Epoch Times](#), Omar tweeted this in response to her arrest, “Today I was arrested while participating in a civil disobedience action with my fellow Members of Congress outside the Supreme Court. I will continue to do everything in my power to raise the alarm about the assault on our reproductive rights!” Well

Omar, what about the rights of the unborn? What about the killing of innocent babies? This unhinged and overzealous defense of murdering children is nothing less than satanic.

So, I say we declare them insurrectionists, and place them in solitary confinement for the next year without due process. After all, that is what is happening to individuals arrested on January 6th, many of them without a criminal history. Per the Capitol Police, violators of the misdemeanor in this scenario is imprisonment up to 90 days and fines up to \$500.

Now let's switch gears to some court action that is actually worthy of attention. John Durham is once again on the prowl and per the [Epoch Times](#) recently asked a federal court to issue 30 subpoena's in his upcoming trial against Igor Danchenko. Danchenko is allegedly the primary perpetrator for the "Steele dossier" that targeted President Trump.

According to the Epoch Times, information contained in the Durham report show that Danchenko, gave false information to the FBI in regard to what intel he had provided to UK spy Christopher Steele; who we now know had ties to the Clinton campaign.

As Durham points out in his indictment, this is significant because the FBI's investigation into the Trump Campaign "relied on the dossier to obtain secretive warrants to spy on former Trump campaign aid Carter Page."

Information in the Steele Dossier, alleged President Trump colluded with Russia to win the 2016 election against Hillary Clinton. We now know this couldn't be further from the truth. We will update you as the trial against Igor Danchenko continues.

Proverbs 6: 16-19: "There are six things which the Lord hates, Yes, seven which are an abomination to him: haughty eyes, a lying tongue, and hands that shed innocent blood, a heart that plots evil, feet that race to do wrong, a false witness who pours out lies, and a person who sows discord in a family."
