Article: Fani Willis Conspired with Liz Cheney's Faux J6 Committee – J6 Committee Shared Video Recordings with Fani Willis but Then Deleted the Video to Prevent Republican Lawmakers from Gaining Access to It

Article Link: <https://www.thegatewaypundit.com/2024/03/new-report-fani-willis-conspired-liz-cheney-faux/>

Key Talking Points:

- In a bombshell report but not surprising information has come out Liz Cheney and her January 6th committee shared video recordings with Fani Willis but then deleted the video to prevent republican lawmakers from gaining access to it.
- The gateway pundit reports chairman Barry Loudermilk (r-ga) released his January 6 initial findings report on Monday, March 11.
- The report was filled with several nuggets of information refuting Liz Cheney's notoriously dishonest and partisan report that Nancy Pelosi and democrats released.
- Rep. Loudermilk discovered that the j6 select committee hid exonerating evidence of president trump's push for the national guard at the us capitol on January 6. Trump's requests were rejected by Nancy Pelosi, dc mayor bowser, and the capitol police.
- Rep. Loudermilk also discovered that president trump's motorcade driver blew up j6 "super star witness" Cassidy Hutchinson who lied through her teeth about trump grabbing the steering wheel of the beast and assaulting a secret service agent. Her entire story was completely false, yet the mainstream media has never, ever corrected their reporting on this disgusting lie. We will get into this story in more detail here in a moment.
- But first, also in the report, there is evidence that Fulton County Georgia Fani Willis met with the illicit committee, and she participated in numerous calls with the sham committee. The j6 committee even shared video recordings with Fani's office but deleted the recordings to prevent republican lawmakers from gaining access to it.
- The house of cards, and the players are beginning to fall down, and more is being exposed to the American people, exonerating president trump from the lies told about him.

Video Link: <https://twitter.com/axios/status/1541844983988338689?s=20>

Key Talking Points:

- Speaking of lies, let's now get into Cassidy Hutchinson and new evidence of her testimony against president trump regarding what actually happened in the president's armored vehicle on January 6th.
- Let's recap her testimony. Per the western journal Hutchinson, in case you've forgotten, is the former aide to former white house chief of staff mark meadows who was a surprise witness before the house democrats' January 6 kangaroo committee.
- In her testimony, Hutchinson insisted she had heard from someone else at the white house that on January 6, 2021, then-president Donald Trump had tried to grab the wheel of his limousine to go to the capitol during the incursion.
- Her account was used numerous times in the media to portray trump as out of control on January 6th. Meanwhile, republicans have been critical of the panel's then decision to promote Hutchinson's account of what happened. After all, she wasn't even in the vehicle.
- The transcript of the driver was just released—you know the person who would actually really know what happened that day—and he completely exonerated President Trump stating that the account that trump lunged for the steering wheel or lunged at an agent was completely false and never happened.

In the News (Topic 3 of 7) TRUMP PROMISES TO FREE JAN 6 PRISONERS

Article: Trump Promises to Free January 6 Political Prisoners as One of His First Acts if Re-Elected

Article Link: <https://www.thegatewaypundit.com/2024/03/trump-promises-free-january-6-political-prisoners-as/>

Key Talking Points:

- In other January 6th news and another likely reason why certain politicians are trying so hard to bring Donald Trump down is that he just publicly promised to release January 6th political prisoners as one of his first acts if re-elected president.
- The gateway pundit reports that referring to the prisoners as "hostages," trump said granting them freedom will be one of his administration's top priorities. He stated on truth social: "My first acts as your next president will be to close the border, drill, baby, drill, and free the January 6 hostages being wrongfully imprisoned!"
- Naturally the Biden administration and mainstream media are losing their minds over this statement.
- NBC news notes, "nearly 500 people have been sentenced to incarceration over the riot on January 6, 2021, and prosecutors have secured more than 950 convictions, according to the U.S. attorney's office for Washington, D.C. more than 1,350 people have been charged in connection with the attack."
- These individuals and their families now have hope that they will be released and pardoned if president trump is re-elected in November. Perhaps they will even be home in time for Christmas.
- Let's continue to pray for those individuals. Some of them are veterans who served our country.

Article Link: <https://www2.cbn.com/news/israel/netanyahu-says-gaza-victory-near-undeterred-bidens-come-iesus-moment-remark>

Key Talking Points:

- In Israel news, Benjamin Netanyahu says a Gaza victory is near as pressure intensifies from the white house and the world.
- CBN news reports Israeli prime minister Benjamin Netanyahu declared Monday that victory in Gaza is at hand.
- His declaration comes in the face of U.S. and international opposition to Israel's last major military campaign.
- Netanyahu told Fox News, "victory is close. I mean, as I've said, three-quarters of those (Hamas) fighting battalions (are gone). The best thing we can do for the future of the middle east, for the future of peace, for the future of those hostages is to get a speedy victory."
- At the beginning of Ramadan, a Muslim holiday, Netanyahu's wife sara sent a personal letter to the emir of Qatar's' mother, with Ramadan wishes and a plea for the release of the hostages in Hamas captivity.
- As Ramadan began, Israeli forces went on high alert against the threat of increasing violence and terror attacks.
- Despite minor incidents, it's been relatively quiet in Jerusalem. Hundreds of Palestinians prayed peacefully on the temple mount at the al-Aqsa mosque.
- However, Israeli security forces did kill a terrorist on his way to commit a major terror attack in the center of the country.
- That's why many Jews and Christians are asking for more prayers for the peace of Jerusalem and Israel during the Muslim holiday. So please let's honor that request for their call to prayer.

In the News (Topic 5 of 7) HAITI PRIME MINISTER ARIEL HENRY RESIGNS

Article: HAITI HELL: Prime Minister Ariel Henry Resigns as Country Unravels Under Attack by Gang Rebels

Article Link: <https://www.thegatewaypundit.com/2024/03/haiti-hell-prime-minister-ariel-henry-resigns-as/>

Key Talking Points:

- In an update on Haiti---last week the U.S. embassy had to be evacuated because of violence erupting. Now it seems prime minister ariel henry has resigned.
- The gateway pundit reports the inevitable resignation of prime minister ariel henry finally taking place is a positive development.
- Supposed to be an interim pm, henry had repeatedly delayed elections and usurped power, making him illegitimate in the eyes of many.
- In practical terms, he could not even return to the country, being currently stranded in Puerto Rico. He had no support from the us or Caribbean countries, and gangs' control almost the entirety of the capital port.
- Heavily armed gang rebels that control the country have been demanding the resignation of the unelected prime minister.
- Matthias Pierre, a former elections minister in Haiti: "The police force is weak, and more than 40 police stations [are] destroyed. The army is very limited and not equipped; gang members occupy most of the [Port-au-Prince] downtown and some government headquarters. Very soon people will be out of food, medication and... medical support."

- The gangs are now pushing to be part of any new power-sharing deal. Without the support of the us or his neighbors, henry had no alternative but to stand down.
- Please keep Haiti in your prayers and for righteousness to come into power.

In the News (Topic 7 of 7) THE GREAT AMERICAN ECLIPSE OF 2024

Article: The Great American Eclipse Of 2024 Will Cross Over 7 U.S. Locations Named “Ninevah”

Article Link: <https://blazingpress.com/the-great-american-eclipse-of-2024-will-cross-over-7-u-s-locations-named-ninevah/>

Video Link: <https://twitter.com/NASA/status/1766221340250341838?s=20>

Key Talking Points:

- The Blazing Press reported that this eclipse that occurs on April 8th will be passing through 7 locations named Nineveh in the U.S. and an additional city named Nineveh in Nova Scotia.
- On August 21st, 2017, the first Great American Eclipse made headlines all over the nation.
- It was also known as “The Seven Salem Eclipse” because the path of that eclipse crossed over seven U.S. locations named “Salem”...
- Salem is short for “Jerusalem”, and that is why so many early Americans chose that name for their communities.
- Now the second Great American Eclipse is almost here, and this time the path of that eclipse will cross over seven U.S. locations named “Ninevah”...

- Genesis chapter 10 tells us that Nineveh was built by Nimrod, and the prophet Jonah was sent by God to Nineveh to tell the people there they had 40 days to repent, or they would be destroyed.
- In addition, there is some evidence suggesting that an eclipse occurred at the same time that Jonah was in Nineveh—which some believe is why the Nineveh people actually listened to Jonah.
- It was recorded per the article as the “Assyrian Eclipse.” Assyria and other ancient cultures during the time of Jonah and before believed eclipses to be a sign of destruction, and around that time biblically the empire was in chaos struggling with revolts, famines, and plague outbreaks.
- Jonah 3:1 tells us that Nineveh was spared from wrath because all the Ninevites repented, girded themselves with sackcloth (even their animals), and placed their trust in God alone.
- As far as the U.S. eclipse, in addition to Nineveh, the eclipse will also hit Williamstown, KY which is the home to the ark encounter, which is a full-size replica of Noah’s ark built according to biblical descriptions. And all of these celestial events are taking place under the constellation Cetus—meaning the whale. The eclipse also hits Jonah, Texas, and rapture, Illinois.
- Here are some biblical scriptures in the article that tie all of this together:
 - Luke 17:26 tells us that, and as it was in the days of Noah, so it will also be in the days of the son of man.
 - Matthew 12:39 says, “An evil and adulterous generation seeks after a sign, and no sign will be given except the sign of Jonah.”
 - Jonah 3: 4 says, in 40 days Nineveh will be overthrown...well 40 days after the eclipse here in America will be May 18th...the eve of Pentecost!
