Video Link: <https://www.youtube.com/watch?v=zR9kTuz0jxs>

Key Talking Points:

- In world news, Israel kills a Hamas commander as the fight continues against Hamas in Rafah, despite a global court ruling. And certain countries recognize Palestine as a state.
- CBN news reports the Israeli military continues to fight on multiple fronts against Hamas in Gaza and Hezbollah in Lebanon.
- The fighting goes on despite last week's ruling by the international court of justice that ordered the sovereign state of Israel to desist.
- For the first time in four months, Hamas fired rockets Sunday into Tel Aviv and other cities in central Israel.
- The attack sent millions scrambling into bomb shelters. Hamas fired those rockets out of its final hideout in Rafah where Israel is fighting to defeat the terror group's last major stronghold.
- Israel defense forces spokesman rear Adm. Daniel Hagari explained, "Hamas is choosing to continue this war by refusing to release our hostages and continuing to attack Israel. Hamas is holding 125 of our people hostages across our border in Gaza. We will not stop fighting for their freedom, this is what any decent country in the world would do."
- In Rafah, the IDF announced it had eliminated the Hamas commander who directed terror activities in Judea and Samaria and was responsible for funding operations in Gaza, as well as attacks in which Israeli soldiers were killed.
- On Israel's northern border, Hezbollah terrorists in Lebanon fired dozens of rockets into Israel.
- Hezbollah leader sheikh Hassan Nasrallah also welcomed the announcement by Norway, Ireland, and Spain that they will recognize a Palestinian state.
- However, a Palestinian human rights advocate wrote that "recognizing a Palestinian state after October 7th would send a dangerous message that sexual violence and terrorism against civilians can successfully achieve political gains."
- In Tel Aviv, thousands gathered at the funeral of Hanan Yablonka, a Brazilian Israeli whose body was recovered in Gaza after he was murdered by Hamas at the nova music festival last October.
- His mother, Vered Yablonka, delivered a message to Hamas, "I want to say to Hamas, you will never beat us – never, never," she stated. "The Jews were always murdered because they were Jews; it didn't work for anyone, and it won't work (for you) either."
- Please continue to pray for Israel and that the hostages be released.

In the News (Topic 2 of 5) BIDEN'S FBI JUSTIFIED ITS DEADLY FORCE POLICY IN MAR-A-LAGO RAID BECAUSE OF "LIFE THREATENING" KITCHEN UTENSILS, RESORT GYM EQUIPMENT

Article: Biden's FBI Justified Its Deadly Force Policy in Mar-a-Lago Raid Because of "Life Threatening" Kitchen Utensils, Resort Gym Equipment

Article Link: <https://www.thegatewaypundit.com/2024/05/bidens-fbi-justified-its-deadly-force-policy-mar/>

Key Talking Points:

- In American news, in competition with arguably one of the worst president Joe Biden blunders of saying that the white house was in Florida, was the fact that Biden's FBI justified it's deadly force policy in the raid on Mar-a-Lago because of life threatening kitchen utensils.
- Per the gateway pundit, judge Aileen cannon last Tuesday unsealed numerous motions related to jack smith's classified documents case against trump.
- One filing revealed Biden's FBI authorized the use of deadly force during their raid on Mar-a-Lago authorized by us attorney general Merrick garland in august 2022.
- Armed FBI agents were prepared to confront trump.
- The document read quote: law enforcement officers of the department of justice may use deadly force only when necessary, that is, when the officer has a reasonable belief that the subject of such force poses an imminent danger of death or serious physical injury to the officer or to another person."
- In a statement released Tuesday evening, the FBI claimed the authorization of deadly force on former president trump is just "standard protocol."
- Us attorney general Merrick garland claimed the same deadly force policy was in effect when the FBI searched Biden's Delaware homes. However, Merrick Garland did not offer any documents to back up his claims.
- Joe Biden's FBI justified its authorization of the use of deadly force during their Mar-a-Lago raid because of "life-threatening" contraband in the kitchen and gym.
- Documents also reveal quote: without no basis whatsoever, in the affidavit or otherwise, FBI agents searched the private bedrooms of the first lady and president trump's youngest son." End quote.
- Information was also revealed that the FBI's photo log demonstrates that the agents took extensive photographs of those rooms—for no apparent reason.
- They also rummaged through rooms not specified in the warrant and seized nothing from them.

Key Talking Points:

- In other U.S. news, a savage storm killed 18, and injured hundreds, dumping baseball sized hail on those in its path.

- CBN news reports millions of Americans are facing the possibility of severe weather after deadly storms this holiday weekend carved a path of destruction across multiple states, killing at least 18 people.
- The powerful storms injured hundreds and left a wide trail of destruction across Texas, Oklahoma, and Arkansas.
- In Texas, at least seven people were killed, including a 2-year-old and a 5-year-old from the same family.
- In Valley View, Texas, one of the hardest hit cities, dozens received minor injuries when a travel center and gas station was destroyed.
- Texas governor Greg Abbott signed a disaster declaration for more than a third of the state, "Candidly, this has been a harrowing week with lives lost, property reduced to rubble."
- Oklahoma saw hail the size of baseballs.
- At least 8 people were killed in Arkansas.
- Please keep all those affected in your prayers.

In the News (Topic 4 of 5) Explosive Report Reveals CIA Role in Creation of COVID Vaccines

Article: Explosive Report Reveals CIA Role in Creation of COVID Vaccines

Article Link: <https://vigilantnews.com/post/explosive-report-reveals-cia-role-in-creation-of-covid-vaccines/>

Key Talking Points:

- In medical news, an explosive report from vigilant news reveals the CIA's potential role in the creation of covid shots.
- Per vigilant news in an article that originally appeared on Infowars, it reveals that Moderna's covid vaccine was manufactured by a government contractor with close connections to the CIA, FDA and Bill & Melinda Gates Foundation.
- Moderna in 2021 hired and tasked a supposedly new pharmaceutical manufacturing company called national resilience (resilience) to make all of their covid-19 mRNA vaccines.
- The company apparently goes by several names, including Nanotherapeutics, Nanosphere Inc, Ology Bioservices, and Government Resilience Services, according to independent journalist Destiny Rezendes who first reported on this last year, investors in resilience included Google, Lux Capital, Magnetic Ventures And 8vc; and the COO of the company also served as a senior adviser to Pfizer.
- Rezendes revealed that board members and investors tied to those companies include council on foreign relations members, a board member of the Bill & Melinda Gates Foundation, CIA affiliates, Merrill Lynch, and the Rockefeller University.
- Additionally, former FDA commissioner Scott Gottlieb served as a resilience board member.
- She also reported on the fact that nanosphere and nanotherapeutics (aka resilience) has countless contracts with the government concerning biological warfare, and gene specific sensors wanted by the DOD.
- Resilience was even tapped by the world economic forum to lead the Davos panel on cybersecurity.
- Rezendes posted on social media, "a biopharmaceutical company on cyber security? Ok sure, go get that Moderna booster! – if you dare."

In the News (Topic 5 of 5) Moderna, Pfizer in Talks About New Bird Flu Vaccine

Article: Moderna, Pfizer in Talks About New Bird Flu Vaccine as 2024 Election Nears

Article Link: <https://www.westernjournal.com/moderna-pfizer-talks-new-bird-flu-vaccine-2024-election-nears/>

Video Link: https://x.com/liz_churchill10/status/1794396749001331063

Key Talking Points:

- In other medical news, Moderna and Pfizer are in talks now about a new bird flu vaccine as the 2024 election looms on the horizon.
- Per The Western Journal, both Moderna and Pfizer are in talks with the federal government over development of a vaccine for the avian flu, prompting a huge rise in vaccine-related stocks.
- Moderna, which saw a 13.7 spike in its stock price Wednesday, according to Barron's, confirmed it was in discussions with the government regarding "advancing our pandemic flu candidate."
- According to Barron's, "O'Connell also said that the agency last week had begun the process of converting 4.8 million doses of avian influenza vaccine from bulk product in the government's stockpile to finished doses ready to be administered."
- This is all after a grand total of three (3) avian flu cases in humans have been confirmed in the United States. This is the total of human infection two months after the virus was detected in dairy cattle.
- The major vaccine makers soared on the stock market last week — Moderna by over 23 percent, according to the motley fool — after avian flu was detected in an individual in Australia.
- As the western journal points out, trusting the science can be profitable, indeed.
