Over 12,000 US Troops Aboard 10 Warships Advance to Middle East ¹

- Over 12,000 U.S. troops aboard 10 warships advance to the middle east as the war escalates between Israel and Hamas.
- The gateway pundit reports last Saturday defense secretary Lloyd Austin announced a series of actions aimed at bolstering the U.S. military presence in the middle east.
- The U.S.S. Dwight Eisenhower carrier strike group has been redirected to the central command area and the navy's largest and most advanced nuclear aircraft carrier, the U.S.S. Gerald Ford, has also been deployed to the eastern mediterranean sea.
- Secretary Austin also put roughly 2000 forces on standby to be ready to deploy within 24 hours of receiving an order to do so.
- Austin also recently placed an unspecified number of other U.S. forces under prepare to deploy orders as well. He stated this was part of contingency planning so they can respond quickly.

Tucker Carlson Interviews Former Colonel Douglas Macgregor: Potential Of U.S. Conflict With Iran and the State Of The U.S. Military ²

- Tucker Carlson recently interviewed former colonel Douglas MacGregor about the potential of U.S. conflict with Iran and the state of the U.S. military.
- Colonel MacGregor says there is a very big problem with Hezbollah in Mexico and that if we attack Iran then we would have attacks on U.S. soil, exacerbated by our open border crisis.
- If the conflict in the middle east escalates, we will also end up in a fight with Russia and other countries who will then be involved.
- Now is the time more than ever for a sound mind and smart decisions. Not weak and emotional leadership.

Tucker Carlson Interviews Former Colonel Douglas Macgregor: Potential Of U.S. Conflict With Iran and the State Of The U.S. Military ²

- Col. Macgregor says our military is the weakest it's been in a long time.
- Our military has been decreased greatly and relies on special forces and a few thousand experienced marines for ground invasions.
- He says the majority of our military has not experienced real war and would not be ready for what could potentially happen if this conflict escalates.
- Colonel MacGregor warns we could potentially be on a very dangerous road to Armageddon.

Gun Grab: State Democrats Pass Sweeping Gun Control Bill in Reaction to Recent Pro-2A Supreme Court Decision ⁵

- State democrats pass a gun control bill making it harder for legal gun owners to defend themselves.
- The gateway pundit reports, Massachusetts approved a bill recently that will impose widespread bans on commonly owned firearms.
- It would also prohibit firearms from public spaces such as schools, government buildings, and tighten the states ban on assault weapons.
- The bill will undercut self-defense rights of law-abiding citizens and will do nothing to deter criminals.
- Case and point: in cities with strict gun control already such as Chicago and Philadelphia shootings are skyrocketing, and crime is higher than ever before, proving stricter gun laws don't deter crime.
- Yet the attack on the 2nd amendment and legal gun owners continues.
