### Key Talking Points:

- In Israel news, the Biden administration admits they are withholding information from Israel on the location of Hamas leaders in hidden tunnels.
- Per the *Gateway Pundit*, just a week after Biden announced he was holding military aid from Israel, he is now withholding valuable information on the location of Hamas leaders. Keep in mind, Hamas is still holding over 130 hostages, including Americans.
- Biden says he will not share the intel on Hamas with Israel unless they agree not to go into Rafah.
- Senator Mike Lee calls it extortion and that the U.S. is re-victimizing the victim in this situation by withholding crucial intel and aid from Israel.
- CBN news reports that prime minister Benjamin Netanyahu said Israel will fight alone if they have to, without U.S. support.

### Key Talking Points:

- In U.S. news, President Trump held a rally in deep blue New Jersey last weekend. The number of people that attended shocked the nation.
- The *Gateway Pundit* reports last Saturday, Trump held a massive rally in wildwood, New Jersey.
- A crowd of an estimated 80,000 to 100,000 people showed up to support him.
- President Trump blasted the soviet-style democrat lawfare trials and whipped the crowd up into a frenzy.
- He stated during his speech quote: “I’ve been indicted more than the great Alphonse Capone!”
- This referring to notorious mobster Al Capone, aka, “Scarface,” who was indicted on tax evasion charges during the prohibition era.
- The *Western Journal* points out the enthusiasm and excitement reported at Trump’s unbelievably large rallies, even in a deep blue state like New Jersey, reveals the unmatched support for the former

president despite his legal troubles and every attempt of the establishment media to throw mud at his campaign.

- The shoulder-to-shoulder patriotism evidenced in the rally showed a people united in their support for their chosen candidate.
- Speaking of uniting behind a leader, NFL hall-of-famer Lawrence Taylor says President Trump caused him to switch from a life-long democrat to republican. He openly endorsed Donald Trump at the New Jersey rally.

## **In the News (Topic 3 of 5) BILL GATES – SOLAR ENGINEERING**

**Article:** NA

**Key Talking Points:**

- In weather news, Lara Logan, Alex Jones, and others shared this clip from CNBC stating quote:
- “Bill Gates is backing the first high altitude experiment of one radical climate change solution—creating a massive chemical cloud that could cool the earth. It’s called solar geo engineering. But it also comes with significant risks and uncertainties: things like mass famine, mass flooding, drought. It could eradicate blue sky... You have less direct light, which is the same thing as saying it looks hazy and white.”

## **In the News (Topic 4 of 5) PFIZER OFFERED “SEPARATE AND DISTINCT” COVID-19 VACCINES TO EMPLOYEES**

**Article:** Whistleblower Reveals Pfizer Offered “Separate and Distinct” COVID-19 Vaccines to Employees

**Article Link:** <https://vigilantnews.com/post/whistleblower-exposes-internal-email-suggesting-pfizer-offered-separate-and-distinct-covid-19-vaccines-to-employees/>

**Video Link:** <https://twitter.com/VigilantFox/status/1789464520106102952>

**Key Talking Points:**

- In medical news, Dr. Peter McCullough says that doctors were bribed to push the covid shots.
- The *Vigilant Fox* reports that a leaked *Anthem Blue Cross Blue Shield* document exposed that a typical doctor could make an extra 250,000 dollars if they injected 75% of their patients.
- All of this tying into another related news article from *Vigilant News* where a whistleblower revealed that Pfizer offered separate and distinct covid 19 shots to employees.
- Per *Vigilant News*, the email, dated January 2021, reassures Pfizer employees that the vaccine supply for this internal program would not affect the doses committed to national governments worldwide.
- According to the leaked document, site-essential workers were identified to receive these exclusive vaccinations.
- The whistleblower revealed there was widespread belief among employees that they were receiving vaccines that were different from those given to the public.
- The *Gateway Pundit* reported last year that during a senate hearing in Australia, a Pfizer spokesperson revealed that the pharmaceutical giant had imported a special batch of covid-19 vaccines solely for their employee vaccination program.

## In the News (Topic 5 of 5) ASTRAZENECA WITHDRAWS COVID-19 VACCINE GLOBALLY AFTER ADMITTING DEATHS

**Article:** AstraZeneca Withdraws COVID-19 Vaccine Globally After Admitting Deaths

**Article Link:** <https://vigilantnews.com/post/astrazeneca-withdraws-covid-19-vaccine-globally-after-admitting-deaths-2/>

### Key Talking Points:

- In other medical news, AstraZeneca just withdrew their covid 19 vaccine globally after admitting to deaths.
- *Vigilant News* reports the pharmaceutical giant voluntarily withdrew its covid shots from the European Union following intense scrutiny over a “rare” side effect.
- The “rare” side effect in question is thrombosis or what you may know as the formation of blood clots accompanied by a low level of blood platelets.
- This serious side effect has been linked to at least 81 deaths in the United Kingdom alone.
- For historical reference, the swine flu vaccination campaign in 1976 was suspended after only 25 people died. AstraZeneca caused 81 in the U.K. alone.
- However, AstraZeneca asserts that the withdrawal of the vaccine is not connected to legal disputes or its adverse effects.
