**Article:** NBC News Reports ‘Deep State’ Plot to Facilitate a ‘Military Coup’ Against Trump Amidst Fear for Alleged ‘Retribution’ if Re-Elected

**Article Link:** <https://www.thegatewaypundit.com/2024/01/nbc-news-reports-deep-state-plot-prevent-trumps/>

#### **Key Talking Points:**

- NBC actually reported on a deep state plot to facilitate a military coup against trump amidst fear for alleged retribution if re-elected.
- Per the gateway pundit, concerns are intensifying among far-left national security “experts” and pentagon insiders over the possibility that former president Donald Trump might leverage the U.S. military to enforce his political will if he returns to the oval office.
- In a detailed report, NBC news inadvertently admitted the existence of a “deep state,” allegedly working to facilitate a military coup against former president trump if he is freely and fairly elected by Americans.
- The NBC article paints a portrait of a left-wing plot to disrupt military allegiance to civilian control.
- Mollie Hemingway of the federalist wrote, “NBC reports the left is plotting ways to have military not be under civilian control. This dangerous and unconstitutional usurpation of power is being framed by NBC as good because it will undermine trump if he is freely and fairly elected by Americans.”
- According to The War on the Rocks, “Civilian control is exercised within the executive branch for operational orders by the chain of command, which runs from the president to the civilian secretary of defense to the combatant commanders.”
- Now, there is a concerted effort by a coalition of public interest groups and lawmakers to anticipate and thwart any attempts to “misuse” presidential powers.
- One thing is certain they are absolutely terrified of Donald Trump becoming the next president of the United States.

### **In the News (Topic 2 of 6)** WOKE DEI QUOTAS IN AIR TRAVEL OPERATIONS

**Article:** People with ‘Complete Paralysis, Epilepsy, Severe Intellectual Disability, Psychiatric Disability’ to Lead Air Travel Operations in Pursuit of Woke DEI Quotas

**Article Link:** <https://www.thegatewaypundit.com/2024/01/people-complete-paralysis-epilepsy-severe-intellectual-disability-psychiatric/>

#### **Key Talking Points:**

- In a truly concerning headline regarding equity, people with complete paralysis, epilepsy, severe intellectual disabilities, psychiatric disabilities, and others are to now lead air travel operations in pursuit of woke diversity equity and inclusion (also known as DEI) quotas.
- The gateway pundit reports the federal aviation administration (FAA) has been criticized for its latest diversity and inclusion hiring initiative including hiring people with severe disabilities.
- This initiative falls under the umbrella of the department of transportation, overseen by Secretary Pete Buttigieg. Shocker there.
- The timing of this is noteworthy because of the Alaska flight that just made national news after a deactivated emergency door used as a regular cabin window blew out at 16,000 feet terrifying passengers.
- As it happens, Alaska airlines has been a huge promoter of DEI hires.
- But they are not the only one. United airlines CEO Scott Kirby said in a recent interview that they have committed that 50 percent of their hires will be women or people of color instead of the most qualified individuals.
- Many public figures including Elon musk and Larry elder, have weighed in on the matter, noting conflict between DEI initiatives and airline safety.
- Larry elder tweeted that it was insanity with the hashtag DEI.
- Musk posted: it will take an airplane crashing and killing hundreds of people for them to change this crazy policy of die,” cleverly rephrasing DEI.
- In another post, Musk tweeted, “do you want to fly in an airplane where they prioritized DEI hiring over your safety? That is actually happening.”
- This all just adding to the argument that under the umbrella of equity, people have lost their common sense.
- The one and only concern for airliners when hiring someone is their experience, skills, and abilities— because these are positions that people’s lives are literally at risk if they aren’t excellent at their job.

- Cyber-attacks orchestrated by Russia as well as them.
- Taking advantage of the U.S. 2024 election, destined to cause upheaval in America no matter the outcome. Many say worst case scenario exercises are common amongst militaries, to prepare just in case.

- Regarding China, the business insider reported that xi is struggling in a major power grab with his military and is purging senior commanders who are not willing to go to war. Instead, per analysts, he is putting generals in those positions who will bend to his will on the matter.
- At the end of December of 2023, he actually dismissed nine senior officers in one stroke. Everyone knows that Xi wants to invade Taiwan and that if he makes a military move on this, it could in fact, lead to WWII. The New York post recently tweeted this as well.
- Jones goes on to talk about how the British defense secretary who per the sun warned that the world is in a pre-war phase. He estimated that in five years' time we are looking at war potentially involving Russia, China, Iran, and north Korea.

## **IN THE NEWS (TOPIC 5 OF 6)** PASTOR CRIMINALLY CHARGED FOR HELPING HOMELESS

**Article:** Pastor Criminally Charged for Helping Homeless: 'I've Never Seen Anything Like This'

**Article Link:** <https://www2.cbn.com/news/us/pastor-criminally-charged-helping-homeless-ive-never-seen-anything>

### **Key Talking Points:**

- CBN news reports an Ohio Christian pastor, Chris Avell, is reportedly facing 18 criminal charges for violating zoning laws is refusing to back down from keeping his church doors open 24 hours a day, seven days a week, to help the poor and homeless in his community.

- Prior to being served the charges, Avell said the police had been contacting the church, known as dad's place, all hours of the night to see if they would take in people facing domestic and other disputes.
- So, they were actually working together to benefit the community. This was one reason of many why the pastor decided to open their church 24 hours a day.
- Suddenly out of the blue pastor Avell was served the charges. His attorney stated, "I've never seen anything like this. I've seen cities come after churches in the civil context when it comes to zoning issues, but to try to hold a pastor criminally liable and put him in jail for simply caring for the homeless."
- They are unsure why the police went from referring people to dad's place to charging pastor Avell. The only conclusion they can come up with is that somebody in the city is hostile to the ministry and doesn't want it there.
- Even in the midst of his legal troubles pastor Avell continues to defy authorities and keep his church open, saying, I simply can't stop doing what I believe God has called me to do.

## **In the News (Topic 6 of 6)** FRANKLIN GRAHAM CRITIQUES BRIT METHODISTS FOR 'EDITING' GOD'S WORD, REMOVING 'HUSBAND' AND 'WIFE'

**Article:** Franklin Graham Critiques Brit Methodists for 'Editing' God's Word, Removing 'Husband' and 'Wife'

**Article Link:** <https://www2.cbn.com/news/world/franklin-graham-critiques-brit-methodists-editing-gods-word-removing-husband-and-wife>

### **Key Talking Points:**

- Our next headline is about Franklin Graham who is critiquing methodists in Great Britain for editing God's word and removing the terms husband and wife.
- CBN news reports the methodist church of Great Britain edited what the word of God says because they want to avoid offending people. The church released an "inclusive language guide" advising its leaders to avoid using gender terms such as "husband" and "wife" because it is not "the reality for many people" and instead use "neutral" words like "parent," "partner," and "carer."
- They also advised addressing the congregation with gender neutral terms such as teammates, friends, and colleagues rather than men and women, ladies and gentlemen, etc.
- Pastor Graham said, "Shame on the Methodist church. These are biblical terms — and marriage between a man and a woman is biblical truth. The word 'wife' is used in some 360 verses in 38 books of the Bible. They are in essence trying to edit what the Word of God says and teaches to be more appealing to the changing whims of culture. We are warned against that in scripture. As Christians, we aren't called to avoid what might offend people — we are called to share the truth of God's word that can guide and direct us through every step of life."

- **The Last Days**

- **1 Timothy 4:1–5**

<sup>1</sup> Now the Spirit expressly says that in latter times some will depart from the faith, giving heed to deceiving spirits and doctrines of demons, <sup>2</sup> speaking lies in hypocrisy, having their own conscience seared with a hot iron, <sup>3</sup> forbidding to marry, and commanding to abstain from foods which God created to be received with thanksgiving by those who believe and know the truth. <sup>4</sup> For every creature of God is good, and nothing is to be refused if it is received with thanksgiving; <sup>5</sup> for it is sanctified by the word of God and prayer.”

- **2 Timothy 3:1–17**

<sup>1</sup> But know this, that in the last days perilous times will come: <sup>2</sup> For men will be lovers of themselves, lovers of money, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, <sup>3</sup> unloving, unforgiving, slanderers, without self-control, brutal, despisers of good, <sup>4</sup> traitors, headstrong, haughty, lovers of pleasure rather than lovers of God, <sup>5</sup> having a form of godliness but denying its power. And from such people turn away! <sup>6</sup> For of this sort are those who creep into households and make captives of gullible women loaded down with sins, led away by various lusts, <sup>7</sup> always learning and never able to come to the knowledge of the truth. <sup>8</sup> Now as Jannes and Jambres resisted Moses, so do these also resist the truth: men of corrupt minds, disapproved concerning the faith; <sup>9</sup> but they will progress no further, for their folly will be manifest to all, as theirs also was.

<sup>10</sup> But you have carefully followed my doctrine, manner of life, purpose, faith, longsuffering, love, perseverance, <sup>11</sup> persecutions, afflictions, which happened to me at Antioch, at Iconium, at Lystra—what persecutions I endured. And out of them all the Lord delivered me. <sup>12</sup> Yes, and all who desire to live godly in Christ Jesus will suffer persecution. <sup>13</sup> But evil men and impostors will grow worse and worse, deceiving and being deceived. <sup>14</sup> But you must continue in the things which you have learned and been assured of, knowing from whom you have learned them, <sup>15</sup> and that from childhood you have known the Holy Scriptures, which are able to make you wise for salvation through faith which is in Christ Jesus.

<sup>16</sup> All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, <sup>17</sup> that the man of God may be complete, thoroughly equipped for every good work.
