SHARING THE GOSPEL

We believe in sharing the Gospel through all means possible. Our sermons go on YouTube & Facebook. If you were blessed by today's Word, share it with others!

Today we look at what the Lord has to say to us as we endure difficult times. You may feel this applies to you in this chapter of your life. You may feel it doesn't. Here is a truth regarding trials, there are two kinds of Christians. There are those who are going through trials and those who will be going through trials. Thankfully God provides strength and even joy for us during our trials. - Steve
