

Sermon Notes

- How the Resurrection Works (1 Cor. 15:35-43, 1 Cor. 15:21-26, 45-46)
- Because of what Adam did, we have all died. (Romans 5:15)
- Adam sinned → Sin enters the world and corrupts the world → We are therefore born into a world of death with a sin nature, bound to commit sin and be condemned. What Adam brought into the world:
 1. Separation Between Us and God
 2. The Sin Nature for All
 3. A World of Death (1 Cor. 15:21)
- 1 Cor. 15:21-24
 1. Adam sinned → Sin enters the world and corrupts the world → We are therefore born into a world of death with a sin nature, bound to commit sin and be condemned
 2. Christ died and rose again → He rose victorious over sin and death → He freely gives that victory to all who put their faith in Him
- What Christ did:
 1. Jesus destroys the condemnation of sin, restoring our relationship with God. (1 Cor. 15:56-57, Romans 5:18-19)
 2. Jesus destroys the sin nature, giving us an ever-growing nature to become more like Him. (Phil. 1:6)
 3. Jesus destroys death itself, securing a future for us where life is everything it's meant to be. (1 Cor. 15:51-53)
- 1 Cor. 15:54-58, 1 Cor. 3:11-15
 - Everything founded on Jesus Christ will last forever. Everything else will be burned up.
 - Every little thing done in the name of Jesus matters.
 - Take hold of the resurrection for yourself!

Discussion Questions

Resurrection (Part 2)

1. What did you learn or take away from the Sunday message? Which part do you hope we discuss together?
2. Read 1 Cor. 15:42-43, 50-53. What do these passages tell us about what heaven will be like? When you imagine heaven in your mind, what do you see?
3. Read 1 Cor. 15:58. Why is the "therefore" from teaching on the resurrection a life of being "steadfast, immovable, always abounding in the work of the Lord"? If you were to take greater hold of the truth of the resurrection into your own life, what could change?
4. What is one thing you want to remember, change, or view differently in light of our discussion today?
