## A Season for a Psalm: Week 3, *All I Need*

Justin Terry, June 28, 2020

*Small Group Discussion Questions*

### Getting Started

Take some time to catch up and connect as a group. Pray before discussion. Expect God to move through your time together!

### Pacing Your Group

Move quickly through “observation” leaving enough time for “reflection”, “discussion”, and “surrender.”

### Scripture Reading

Re-read the scripture passages as needed when you discuss the questions.

---

### Observation: *What does this scripture passage say?*

Read: Psalm 19

1. What does God reveal to us through nature? (v1-6)
2. What does God reveal to us through his word? (v7-11)
3. What does God reveal to us through our daily experiences? (v12-14)

### Reflection and Discussion: *What are some first thoughts flowing from the scriptures?*

*Talk together about how the scriptures connect to everyday life.*

4. How and why does nature proclaim the existence of God? What aspects of God’s character or principles for Christian living can we learn from God’s work in nature?
5. When we think of the law (v7-11), we often think of something that keeps us from having fun. But here we see the opposite – law that revives us, makes us wise, gives joy to the heart, gives light to the eyes, warns us, and rewards us. That’s because God’s laws are guidelines and lights for our path, rather than chains on our hands and feet. What parts of God’s law and word have equipped you for life? How?
6. In verse 14, David asks that God approve his words and thoughts as though they were offerings brought to the altar. Would you change the way you live if you knew that every word and thought would be examined by God first? What are some ways that we can remain aligned with God and the Spirit so that His love will guide what we say and how we think?

### Surrender: Responding to God’s voice.

7. What is one thing God is saying to you through this study and discussion?

**\*\* Take some time to pray for one another in response to what has been discussed today \*\***
