Small Group Discussion Questions

Getting Started

Take some time to catch up and connect as a group. Pray before discussion.
Expect God to move through your time together!

Pacing Your Group

Move quickly through “observation” leaving enough time for “reflection”, “discussion”, and “surrender.”

Scripture Reading

Re-read the scripture passages as needed when you discuss the questions.

Observation: *What does this scripture passage say?*

Take some time to look up and read: Romans 6:1-14

1. What big ideas does Paul work to communicate in these verses about: sin, grace, baptism, and new life in Christ.

Reflection and Discussion: *What are some first thoughts flowing from the scriptures?*

Talk together about how the scriptures connect to everyday life

2. We can enjoy our new life in Christ because we are united with him in his death and resurrection. Our evil desires, our bondage to sin, and our love of sin died with him. We are no longer obligated to carry out old motives, desires, and goals.
 - How has this proven true in your spiritual life?
 - How have you been victorious over past sin struggles and bondages?
3. Lance has given a four-step process for living a victorious life:
 1. Come to the revelation of God’s word
 2. Correctly understand God’s word
 3. Believe in God’s word
 4. Obey God’s word
 - Describe an area of your life where the word of God has completely overhauled your beliefs and actions, helping you step into victorious living.
4. What does it mean to “offer yourselves to God, as those who have been brought from death to life; and offer the parts of your body to him as instruments of righteousness” (v13b)? What does that look like in everyday life?

Surrender: Responding to God’s voice.

5. What is one thing God is saying to you through this study and discussion?

**** Take some time to pray for one another in response to what has been discussed today ****
