

Jesus Changes Everything: Trust

Hebrews 3:1-19 (CSB)

What does it look like to hold on to Jesus when trusting him gets hard?

Trust is what happens when you act on what you believe to be true.

1. HOLD ON TO JESUS

Hebrews 3:1-6

Consider Jesus. As our Apostle, Jesus brings God's message to us.
As our High Priest, Jesus brings us to God.
Moses was a servant in God's house; Jesus is the Son over God's house.

When you're struggling to hold on, remember who you're holding on to.

2. KEEP HOLD OF YOUR HEART

Hebrews 3:7-12, 16-19

Struggling to trust God is not the same thing as refusing to trust God.
Doubt is a correctable struggle; **unbelief** is the sinful settling of doubt.
Bring your doubts to Jesus. Keep listening and responding to God's voice.

TODAY, if you hear his voice, do not harden your heart.

3. HOLD ON TOGETHER

Hebrews 3:13-15

Encourage each other daily through both comfort and earnest challenge.
Encouragement disrupts hardening. When your grip is getting weak,
you need people who will help you keep holding on.

TODAY, encourage one another. **TODAY**, hold on to Jesus.

Our hope rests in the faithfulness of the Jesus we're holding on to.

Not someday. TODAY.
