Small Group Discussion Questions

Getting Started

Take some time to catch up and connect as a group. Pray before discussion.
Expect God to move through your time together!

Pacing Your Group

Move quickly through “observation” leaving enough time for “reflection”, “discussion”, and “surrender.”

Scripture Reading

Re-read the scripture passages as needed when you discuss the questions.

Observation: *What does this scripture passage say?*

Read: Acts 2:42-47

1. What inspired the forming of this community?
2. What actions and activities did this community complete together?
3. How was God blessing them?

Reflection and Discussion: *What are some first thoughts flowing from the scriptures?*

Talk together about how the scriptures connect to everyday life.

4. Life in Christ involves enjoying God, being transformed, and demonstrating God’s heart toward others. From your perspective, how is Life in Christ “better together”?
5. List some of the ways that small groups and communities can enjoy God together. In what ways has your group enjoyed God together over this year?
6. How does life transformation happen in the context of community? What parts and pieces must be there in order for life change to happen in community?
7. How can small groups and communities advance the mission of God together? Have you been a part of a small group or community that was particularly effective at being on mission together? What made it work?

Surrender: Responding to God’s voice.

8. What is one thing God is saying to you through this study and discussion?

**** Take some time to pray for one another in response to what has been discussed today ****
