

Casting the Vision

As vision casters of The Life Center, we believe that the Lord is expanding an opportunity to establish a banquet/fellowship hall. Since 2018, our church was moved to its new location on 29 acres. We would like to make more room for fellowship and functions as we continue to love on people, in whom we value. As ambassadors of Jesus Christ, we hold importance to teaching people, reaching people, and taking the gospel to the world. Loving people is what we are called to do. Our focus is not where we are, but it is in where we are going in Christ. Our world is changing around us, and we have to take the lead in developing believers, raising leaders, and changing lives. We ask that you join with us.

On behalf of our [Mission Team](#), we are asking for volunteers and sponsors to help support this cause. We plan to help some ladies at [Grace Home](#) who have faced challenges and setbacks to help them heal and recover again. The tickets are **\$5** each. Your generosity is much appreciated. Feel free to stop by the foyer table to support this ministry. The drawing will be held on [August 2nd](#).

Kids will be provided with **school supplies** during church. Everyone is invited to **Family Fun Day**, a wonderful opportunity to enjoy a day filled with food, games, fun and meaningful fellowship. Please invite your family and friends to join us immediately after service. Don't forget your lawn chairs!

There will be a churchwide meeting and announcement the third Sunday immediately following the worship service (around 12:30). Please stay for just a few minutes.

Our mission's team will take this trip to help some women at [Grace Home](#) who have faced challenges and setbacks. This is a time for them to heal and recover again. If you are interested, please see Ursula for any details. This is a great time for fellowship and servitude of outreach. Thanks for your commitment.

As hope-builders and vision-casters, we believe that the Lord has mandated us to strive for the best, seeking God's will. The Life Center values people. As ambassadors of Jesus Christ, we hold importance to teaching people, reaching people, multicultural people, and family-centered people. Loving people is what we are called to do. Our focus is not where we are, but it is in where we are going in Christ. Our world is changing around us, and we must take the lead in developing believers, raising leaders, and changing lives. We ask that you join this ministry in every aspect imaginable.

Does anyone recall the story of:
Bethany Hamilton? She was a young lady who was an American surfer who was attacked by a shark in October 2003. Her left arm was bitten off and she had to be rushed to the hospital immediately for help. She lost 60 percent of her blood. Her dad was scheduled for surgery on the same day, but she took his place in this event.

Despite the trauma of the incident, Hamilton was determined to return to surfing and did so a month later. Initially, Hamilton adopted a custom-made board that was longer and slightly thicker than standard and had a handle for her right arm, making it easier to paddle, and Hamilton learned to kick more to make up for the loss of her left arm. Afterwards, Hamilton taught herself to surf with one arm, she returned to surfing on November 26, 2003, just 26 days after the attack, and entered her first major competition on January 10, 2004.

Hamilton was determined that **Nothing was Impossible**. To this day, she gives God all the glory for his grace. Bethany is an author, mother, and wife. She often reflects on how leaning on God helped her navigate major life challenges, including her recovery in her book *“Soul Surfer”*. *Who but God?*
