

Casting the Vision

As vision casters of The Life Center, we believe that the Lord is expanding an opportunity to establish a banquet/fellowship hall. Since 2018, our church was moved to its new location on 29 acres. We would like to make more room for fellowship and functions as we continue to love on people, in whom we value. As ambassadors of Jesus Christ, we hold importance to teaching people, reaching people, and taking the gospel to the world. Loving people is what we are called to do. Our focus is not where we are, but it is in where we are going in Christ. Our world is changing around us, and we have to take the lead in developing believers, raising leaders, and changing lives. We ask that you join with us.

Historical Context: 2 Samuel 6:14–15, 20–22

For 100 long years the ark of the covenant had been separated from the tabernacle and other places of worship. After bringing the ark of the covenant back to Jerusalem, King David was ecstatic. He was so excited for what the Lord had done, he couldn't wait to get into a building to worship God. He began to worship the Lord right in the streets of Jerusalem. He began dancing before the Lord with such excitement that he praised God right out of his royal clothing, wrapped in just a tunic. His wife, Michal "despised him in her heart," viewing his behavior as vulgar and undignified for a monarch. She thought he ought to be ashamed of himself dancing like a commoner or wild man rather than a king. When David returned home, Michal mockingly confronted him for exposing himself before slave girls. David fiercely retaliated, declaring that his worship was before the Lord—who chose David over Michal's father, Saul—and stating he would gladly humble himself even further. David knew he belonged to the family of God before anything, and he was due His praise.

Application: What does this mean to me?

God wants more than attendance. Church attendance is important, but attendance alone does not produce spiritual growth. Someone can: sit in the same seat every Sunday...know every worship song...recognize every face...and still never become connected to the body of Christ. Many churches lose people not because they rejected the gospel but because no one helped them become part of God's family. God's plan has always been assimilation, not isolation. It is the process of absorbing culture, ideas, language, and values to the point where you are socially indistinguishable. God's family is one.
