

Casting the Vision

As vision casters of The Life Center, we believe that the Lord is expanding an opportunity to establish a banquet/fellowship hall. Since 2018, our church was moved to its new location on 29 acres. We would like to make more room for fellowship and functions as we continue to love on people, in whom we value. As ambassadors of Jesus Christ, we hold importance to teaching people, reaching people, and taking the gospel to the world. Loving people is what we are called to do. Our focus is not where we are, but it is in where we are going in Christ. Our world is changing around us, and we have to take the lead in developing believers, raising leaders, and changing lives. We ask that you join with us.

Text: 1 Samuel 16: 11-13

The Oil Is Worth the Cost

- **The God Who Sees the Heart:**
When Samuel looked at Jesse's older, taller sons, he assumed height and stature made a good king. God corrected him in verse 7, stating that humans look at the outside, but the Lord looks at the heart.
- **The Overlooked and Unlikely:**
David was the youngest son, left behind in the fields to tend sheep while his brothers were invited to the feast. God frequently chooses the humble, unexpected, and marginalized to carry out His work.
- **The Power of the Anointing:**
When Samuel anointed David with oil in front of his brothers, the **Spirit of the Lord came powerfully upon David from that day on**, shifting his trajectory from a forgotten shepherd to God's chosen leader.
