

## Casting the Vision

As vision casters of The Life Center, we believe that the Lord is expanding an opportunity to establish a banquet/fellowship hall. Since 2018, our church was moved to its new location on 29 acres. We would like to make more room for fellowship and functions as we continue to love on people, in whom we value. As ambassadors of Jesus Christ, we hold importance to teaching people, reaching people, and taking the gospel to the world. Loving people is what we are called to do. Our focus is not where we are, but it is in where we are going in Christ. Our world is changing around us, and we have to take the lead in developing believers, raising leaders, and changing lives. We ask that you join with us.

This chapter that the apostle Paul writes is about believers who endure human weakness while maintaining their integrity to Christ Jesus. The apostle's purpose for writing this letter was to rebuke the false teachers that had infiltrated the church, claiming to be apostles of Jesus Christ. "Fragile clay jars," speaks to our weakness and the surpassing power belongs to God, not of human strength. Even when afflicted, perplexed, persecuted, or struck down, we are preserved by God's power. If truth be told, the average person would have every reason to give up and give in. However, because of the enriching power of God that is experienced in tough times, the Word of God urges us to stand fast and dig into the power which resides within us. Paul gives the believer a reminder of the crucifixion of Christ when we feel numb. His death is a reminder of our strength to be triumphant.

It is very typical for a Christian to feel numb at times. This happens when a believer is going through hard times or spiritual trauma reaching no advantage. They have prayed but haven't seen the hand of God move on their behalf quick enough. It appears the Lord has become silent and your prayers have faded. At times, the Christian will forsake assembling with fellow believers, and you may relapse in your faith if you do not see a positive change for an extended period of time. No matter how spiritual you are, everyone's strength in the faith will be challenged at times. Consider Jesus, when He was in the garden of Gethsemane (Mat. 26:36) praying, He felt forsaken by the Father, and He even desired that the cup of suffering would pass from Him. However, Christ encountered and endured the suffering, even death on the cross.
