

Casting the Vision

As vision casters of The Life Center, we believe that the Lord is expanding an opportunity to establish a banquet/fellowship hall. Since 2018, our church was moved to its new location on 29 acres. We would like to make more room for fellowship and functions as we continue to love on people, in whom we value. As ambassadors of Jesus Christ, we hold importance to teaching people, reaching people, and taking the gospel to the world. Loving people is what we are called to do. Our focus is not where we are, but it is in where we are going in Christ. Our world is changing around us, and we have to take the lead in developing believers, raising leaders, and changing lives. We ask that you join with us.

Text: Acts 26: (1-3)

Thinking Yourself Happy

1-Paul faced many challenges and obstacles by trying to do what was right for Christ. In chapter 16, Paul and Silas went to prison for the cause of Christ, he was doing many things for Jesus. However, it brought him much pain and hardships.

2-But through his determination and his positive attitude he was yet determined to persevere and fight the good faith though all his circumstances. He found not only happy but joy most of all in serving Christ. He said neither loud life or death was going to separate him from the love of Christ.

3-So today, we must be determined no matter what arises and things that we face, we should still continue and know that there is true happiness in Jesus. We cannot base our happiness on happenings. Therefore, true happiness comes from joy, and only joy comes from God.

4- Have you found yourself in the situation that Paul faced? Just know God is the Almighty, and will help you.
