

Application & Conclusion:

When John wrote that the true light was coming into the world, he was speaking of Jesus' first coming. The people longed for His coming for centuries. While Jesus was here on the earth, He exposed the darkness that pervaded the world around Him and gave humanity a path forward by trusting in Him.

But we say with even more longing and even more hope today: The True Light which gives light to all men *is* coming into the world. When He comes, will you be exposed or comforted under His light? That is the question you must consider today.

All darkness and death will be dealt with once and for all when He comes. All that will be left to do is for His people who trust in him to enjoy the fullness of the eternal, abundant life He gives. How can you find life in the Light?

1. Acknowledge your need for the life and light of Christ.
2. Believe the Good News of Jesus, the Word made flesh, who died and rose again to give you life.
3. Walk in the Light as He is in the Light (John 1:7).
