

Sermon Notes 09/27/26 – *Hebrews 11:13-16*

Heaven, by definition, lies beyond the veil of this visible, seen, touchable, tangible extremely real to us world!

A good description of heaven - it's better than anything we have on earth! And unlike the things on earth, heaven lasts forever.

Jim Elliot - He is no fool who gives up what he cannot keep to gain what he cannot lose!

Hebrews 11:13 - We live by a different standard. Christians are aliens and strangers on earth! Our citizenship is in Heaven!

Hebrews 11:14-16 - Hope is the reason we die differently. Dying well is something of a lost art today.

The vision of Heaven keeps us moving forward when it would be easier to give up and go back. (*Hebrews 11:15*)

Hebrews 11:16 - Our reward is not found in this world. A Heavenly City!

Why do we keep believing? Because there is no God like our God and no Savior like Jesus!

Weekly Memory Verse:

Revelation 21:2 – And I saw the holy city, new Jerusalem, coming down out of heaven from God, made ready as a bride adorned for her husband.
