

Sermon Notes 09/20/26 – Hebrews 11:11-12

Hebrews 11:11-12 illustrates the blessing of a believing spouse! In two short verses, the writer extols the faith of a woman who lived 4,000 years ago. (*Genesis 12-23*)

It was a Personal Faith! (*Hebrews 11:11*)
She had her own faith that was real and genuine.

It was a Powerful Faith. (*Hebrews 11:11, Genesis 18:9-15*)

It's encouraging that Sarah is included in this great line of faith because if you read *Genesis*, she doesn't always appear in the best light. (*Genesis 16, Genesis 18:12-15*)

It was a Productive Faith. (*Hebrews 11:12, Genesis 21*)
She made the book! (*1 Peter 3:4-6*)
Sarah was beautiful before God.

Weekly Memory Verse:

Hebrews 11:11 – By faith even Sarah herself received ability to conceive even beyond the proper time of life, since she considered Him faithful who had promised.
