

UNSHAKABLE KINGDOM – Pastor Blake Edwards

“Therefore, let us be grateful for receiving a kingdom that cannot be shaken, and thus let us offer to God acceptable worship, with reverence and awe.” *Hebrews 12:28*

Thought: It is obvious that the world around us is unstable. Culture is constantly changing, the economy is constantly changing, and people’s ideology is always changing. However, In the middle of a shakable world, we are also citizens of an unshakeable kingdom.

- We must remind ourselves that God cannot be shaken.

As a result, we need to choose to behold the Lord with reverence. He alone is worthy and capable of what this world cannot offer
