21 Days Of Prayer And Fasting

DAY 1

The word we are starting off with in 2024 is **EMPOWERMENT!** God spoke through the prophet Joel saying, *"Your old men shall dream dreams, your young men shall see visions. And also on My menservants and ...maidservants I will pour out My Spirit in those days"* (Joel 2:28-29)

Regardless of your age, whether you are male or female, God has a vision for you to fulfill. And sometimes it won't make sense because you don't feel qualified. Most great achievements begin as a vision in someone's heart. And many times, people try to convince the person it can't be done or that he or she can't do it.

This is the crucial point. If you can disregard your critics and rise above your fears, God will enable you to fulfill the vision He has given you. It may take some time, so trust God and let Him lead you no matter how long or even how difficult it may get. Habakkuk 2:3 says, *"For the vision is yet for an appointed time...Though it tarries, wait for it; Because it will surely come..."*.

A God-given dream often defies the facts, so if you have a vision, look for supporters, not critics. Refuse to give up and stop looking back because that's not where you're going. The next time someone shares his or her vision with you, become an encourager! You just might be the one to empower them to accomplish what God wants them to do.

C'mon Somebody! With God, All Things Are Possible!!
