

EVEN MORE – Pastor Michael Monte

So let us stop going over the basic teachings about Christ again and again. Let us go on instead and become mature in our understanding. Surely, we don't need to start again with the fundamental importance of repenting from evil deed and placing our faith in God. 2 You don't need further instruction about baptisms, the laying on of hands, the resurrection of the dead, and eternal judgment. 3 And so, God willing, we will move forward to further understanding. Hebrews 6:1-3

How do we mature as believers and experience More in our relationship with God?

In the past I have often wondered this question and as a pastor I'm often asked that question. For us to mature as believers I believe it takes one of my favorite words ... INTENTIONALITY.

We can't do what we've always done and expect the same results and receive more. We can receive **MORE** by praying **MORE** and asking God for **MORE** of him, reading our bible **MORE** and absorbing what it says. We can receive **MORE** by surrounding ourselves with other believers and spending time in the house of God.

I never want to stay where I'm at in my relationship with God. I'm always wanting **MORE!**
