burned out
on burnout?

3. Jesus shows us the easy yoke

a word on big burnout

- if we continue to blow through the stop signs of life, we're eventually going to get in a big car wreck
- if we want to get healed, we must engage with God and learn the rhythms which He has for us
- we must learn disciplines of re-creation, and not just resort to recreation, entertainment and numbing

what's your yoke?

which was Jesus?

Jesus was the first disciple
He Himself lived out the easy yoke!

Matthew 11

25 At that time Jesus said, “I praise you, Father, Lord of heaven and earth, because you have hidden these things from the wise and learned, and revealed them to little children. 26 Yes, Father, for this is what you were pleased to do.

27 “All things have been committed to me by my Father. No one knows the Son except the Father, and no one knows the Father except the Son and those to whom the Son chooses to reveal him.

28 “Come to me, all you who are weary and burdened, and I will give you rest. 29 Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. 30 For my yoke is easy and my burden is light.”

Matthew 11

²⁵ At that time Jesus said, “I praise you, Father, Lord of heaven and earth, because you have hidden these things from the wise and learned, and revealed them to little children. ²⁶ Yes, Father, for this is what you were pleased to do.

²⁷ “All things have been committed to me by my Father. No one knows the Son except the Father, and no one knows the Father except the Son and those to whom the Son chooses to reveal him.

²⁸ “Come to me, all you who are weary and burdened, and I will give you rest. ²⁹ Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. ³⁰ For my yoke is easy and my burden is light.”

the joy of missing out

to take on Jesus' yoke, I must take off my existing yoke

- *when I hear “should’s” and “ought to’s,” whose voice is that?*
- *I must joyfully embrace my limits and say no*
