CRAZY

FAITH

HEBREWS 11:1-3

¹ Now faith is confidence in what we hope for and assurance about what we do not see.

² This is what the ancients were commended for. ³ By faith we understand that the universe was formed at God's command, so that what is seen was not made out of what was visible.

HEBREWS 11:1-3

People of faith live into the reality of a future that is not here yet.

¹ Now faith is confidence in what we hope for and assurance about what we do not see. ² This is what the ancients were commended for. ³ By faith we understand that the universe was formed at God's command, so that what is seen was not made out of what was visible.

A large, weathered wooden boat, likely Noah's Ark, is shown from a low angle, resting on a rocky shore. The boat is made of dark, aged wood with visible planks and a curved hull. The sky is a mix of blue and orange, suggesting a sunset or sunrise. The overall scene is dramatic and evocative.

“It was by faith that Noah built a large boat to save his family from the flood. He obeyed God, who warned him about things that had never happened before. By his faith Noah condemned the rest of the world, and he received the righteousness that comes by faith.”

- Hebrews 11:7

God loves our faith!
