A rolled-up purple yoga mat is positioned diagonally on a light-colored wooden floor. The mat is tightly rolled, showing the texture of the fabric and the stitching along the edges. The background is a wooden floor with visible planks and grain. Overlaid on the image is the text 'STRENGTHENING YOUR CORE' in a large, white, sans-serif font. The word 'STRENGTHENING' is at the top, 'YOUR' is inside the second 'O' of 'CORE', and 'CORE' is at the bottom.

STRENGTHENING YOUR CORE

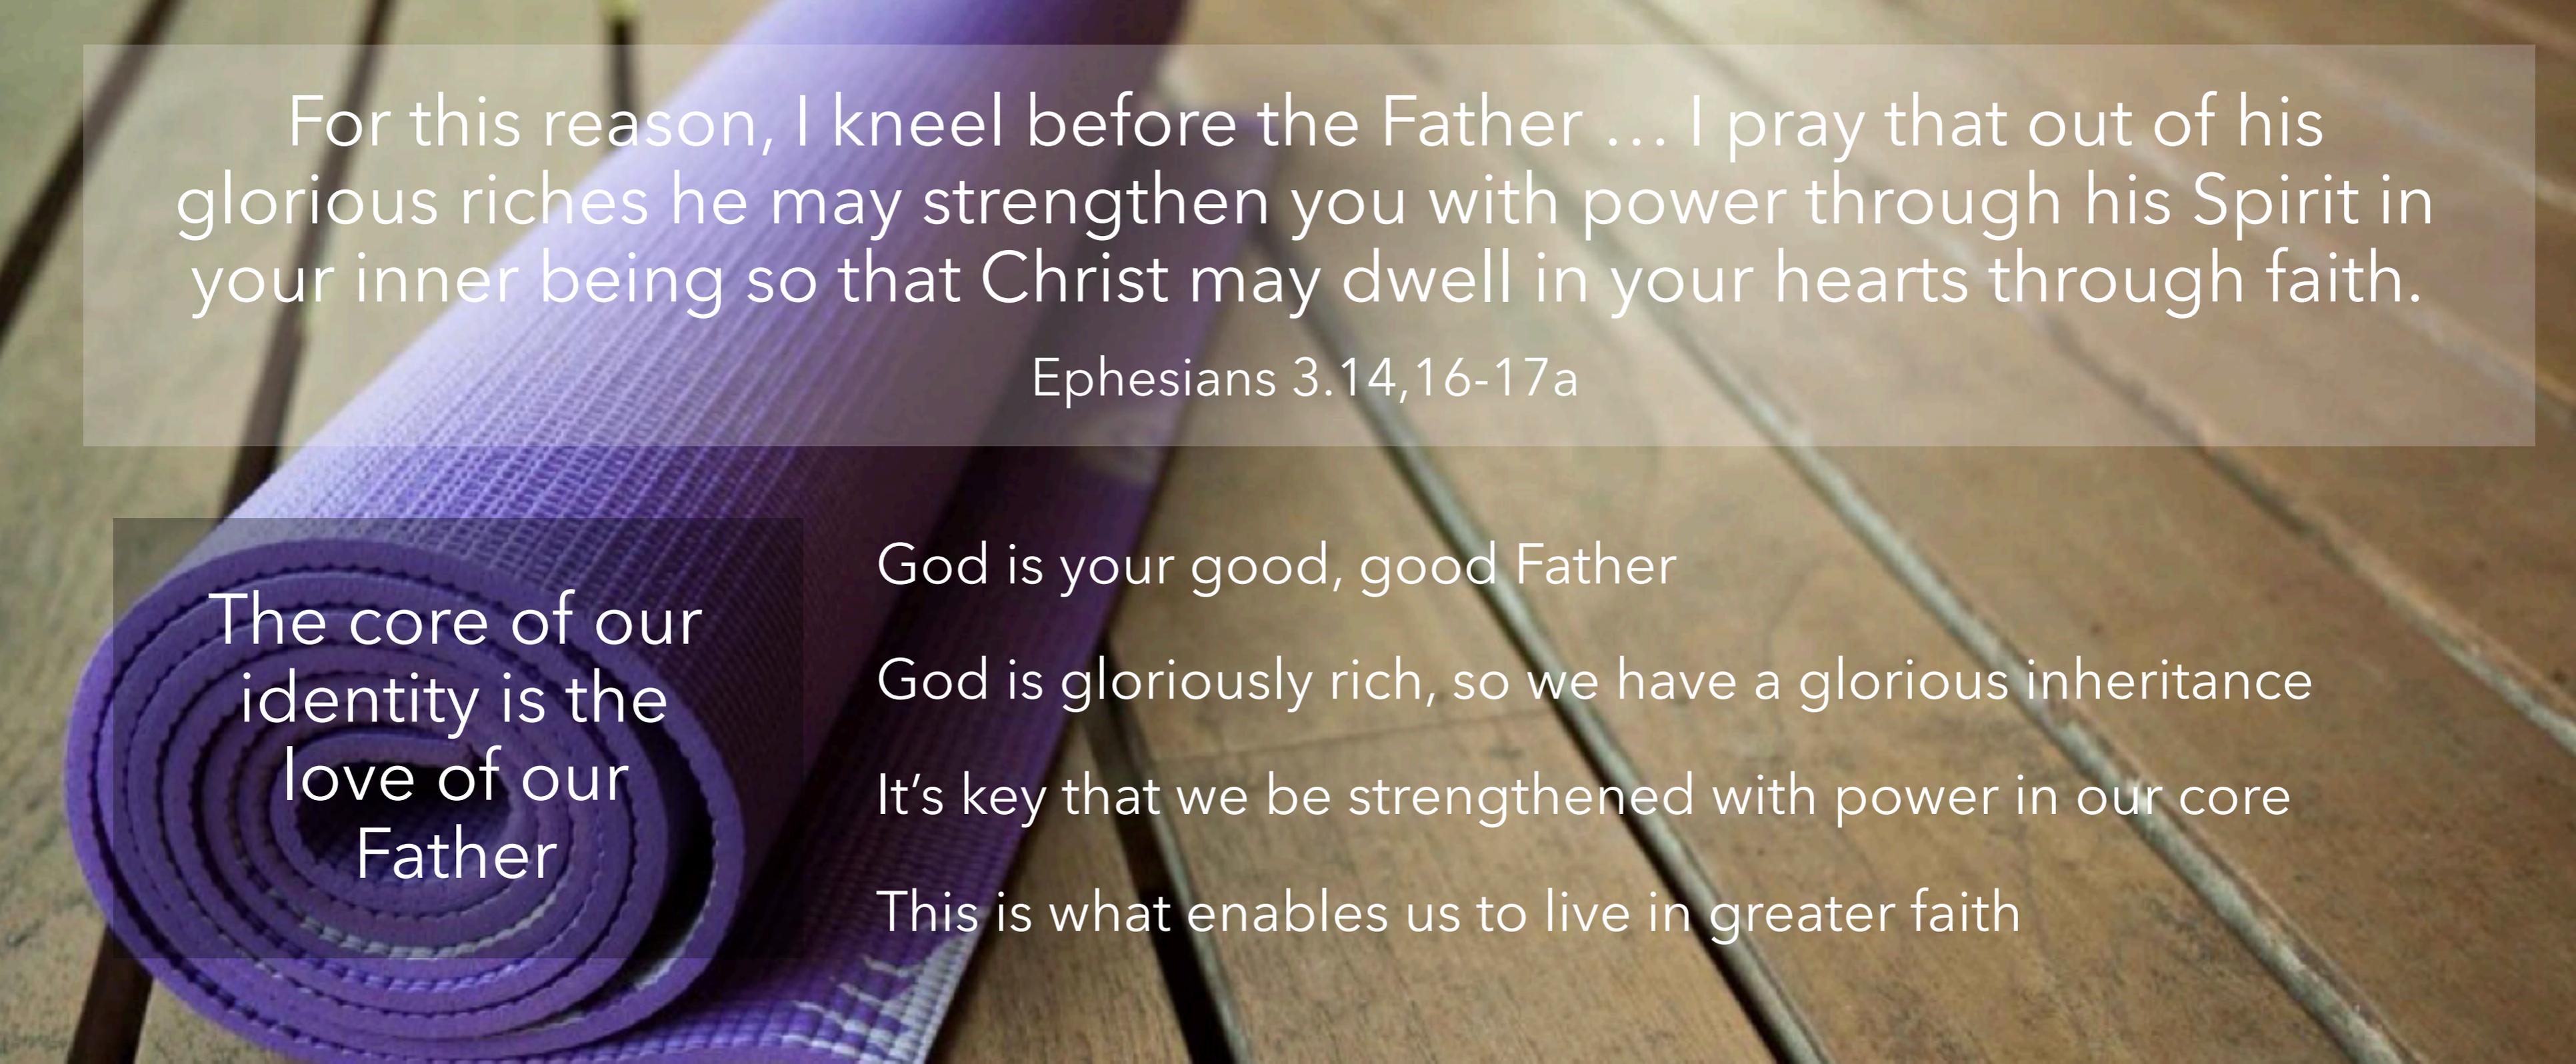

Having a strong core is crucial

for athletes to achieve their peak performance

for a child's healthy development

to protect against injury

A purple yoga mat is rolled up on a wooden floor. The mat is the central focus, with its spiral pattern clearly visible. The background is a light-colored wooden floor with visible grain and planks.

For this reason, I kneel before the Father ... I pray that out of his glorious riches he may strengthen you with power through his Spirit in your inner being so that Christ may dwell in your hearts through faith.

Ephesians 3.14,16-17a

The core of our
identity is the
love of our
Father

God is your good, good Father

God is gloriously rich, so we have a glorious inheritance

It's key that we be strengthened with power in our core

This is what enables us to live in greater faith

for us to be and do
what we're called to be
and do

for our children's
healthy development

to protect against
injury

The core of our
identity is the
love of our
Father

As you look into 2018, what is core and what is peripheral?

In your life

In your walk with God

With your family

In this year, I need to grow more in my understanding of the Father's love. That's the core I need to strengthen.
