

A dramatic landscape featuring a waterfall cascading down a rocky cliff. A bright lightning bolt strikes the water at the base of the waterfall, creating a powerful visual effect. The sky is dark and stormy, with a bright light source behind the waterfall, creating a strong contrast and highlighting the water's texture. The overall mood is intense and awe-inspiring.

Commissioned to be a Witness

Overflow

On the last day of the feast, the great day, Jesus stood up and cried out, "If anyone thirsts, let him come to me and drink. Whoever believes in me, as the Scripture has said, 'Out of his heart will flow rivers of living water.'"

Now this he said about [the] Holy Spirit, whom those who believed in him were to receive, for as yet Holy Spirit had not been given, because Jesus was not yet glorified. John 7:37-39

If you then, though you are evil, know how to give good gifts to your children, how much more will your Father in heaven give Holy Spirit to those who ask him!" Luke 11:13

Overflow

Holy Spirit, fill me to overflowing. You are the one who allows me to know Father and Son more and more intimately. You are necessary for the transformation of my character. And its only by being filled by you that I can live out the fullness of witness and ministry that you've called me to.

So fill me to overflowing!

Healing

Holy Spirit brings healing to another's soul or body through our faith-filled prayers

We're to pray for healing
in the belief that God
heals

We're not responsible for
whether someone gets
healed; we're responsible
for whether we pray

Not everyone is going to
get healed all the time ...
but way more people are
meant to be healed than
are today
