A complex maze with a grid of dark grey lines on a black background. A single path is highlighted in a golden-brown color, starting from the left edge and winding through various turns and dead ends. The path is somewhat jagged and irregular. In the center of the maze, the text "unprocessed disappointments become obstacles to future faith" is written in a clean, white, sans-serif font. The text is centered horizontally and vertically, and its white color contrasts sharply with the dark background of the maze.

unprocessed disappointments become obstacles to future faith

A complex maze is shown on a dark background. A path is highlighted in a light brown color, starting from the left edge and winding through various corridors and dead ends. The path eventually leads to a small, open square area at the top of the maze. In the center of the maze, the text "How is God wanting to build faith in you?" is written in white. The maze consists of numerous rectangular paths and dead ends, creating a complex network of lines.

How is God wanting to build faith in you?

## Romans 4

<sup>18</sup> Against all hope, Abraham in hope believed and so became the father of many nations, just as it had been said to him, “So shall your offspring be.” <sup>19</sup> Without weakening in his faith, he faced the fact that his body was as good as dead—since he was about a hundred years old—and that Sarah’s womb was also dead. <sup>20</sup> Yet he did not waver through unbelief regarding the promise of God, but was strengthened in his faith and gave glory to God, <sup>21</sup> being fully persuaded that God had power to do what he had promised. <sup>22</sup> This is why “it was credited to him as righteousness.”

<sup>1</sup> Now faith is confidence in what we hope for and assurance about what we do not see. <sup>2</sup> This is what the ancients were commended for. <sup>3</sup> By faith we understand that the universe was formed at God's command, so that what is seen was not made out of what was visible.
