# BEYOND SUNDAYS

For two weeks, I walked in community with my brothers and sisters. While it wasn't always a smooth path, and we didn't always like being around each other, there was something about there constantly being a physical representation of Jesus through the Body that was vital and crucial to the task to which He called us. We ate together, talked together, did ministry together, processed together. Whether married, dating, single, adult, child, evangelist, pastor, full-time minister, lay person, or engineer, there was no distinction in being able to share life together. I found my calling and journey affirmed on a daily basis. I felt understood and listened to, cared for and part of the whole.

**Being in community shaped us to carry each other's burdens.**

**42** They devoted themselves to the apostles' teaching and to fellowship, to the breaking of bread and to prayer. **43** Everyone was filled with awe at the many wonders and signs performed by the apostles. **44** All the believers were together and had everything in common. **45** They sold property and possessions to give to anyone who had need. **46** Every day they continued to meet together in the temple courts. They broke bread in their homes and ate together with glad and sincere hearts, **47** praising God and enjoying the favor of all the people. And the Lord added to their number daily those who were being saved.

# BEYOND SUNDAYS

I need you, you need me.  
We're all a part of God's body  
Stand with me, agree with me.  
We're all a part of God's body.  
You are important to me, I need you to survive.  
You are important to me, I need you to survive.

I pray for you, You pray for me.  
I love you, I need you to survive.  
I won't harm you with words from my mouth.  
I love you, I need you to survive.  
It is his will, that every need be supplied.  
You are important to me, I need you to survive
