

## **O Love That Will Not Let Me Go**

### **Verse 1**

O Love that will not let me go,  
I rest my weary soul in thee.  
I give thee back the life I owe,  
that in thine ocean depths its flow  
may richer, fuller be.

### **Verse 2**

O Light that follows all my way,  
I yield my flick'ring torch to thee.  
My heart restores its borrowed ray,  
that in thy sunshine's blaze its day  
may brighter, fairer be.

### **Verse 3**

O Joy that seekest me through pain,  
I cannot close my heart to thee.  
I trace the rainbow through the rain,  
and feel the promise is not vain,  
that morn shall tearless be.

### **Verse 4**

O Cross that liftest up my head,  
I dare not ask to fly from thee.  
I lay in dust, life's glory dead,  
and from the ground there blossoms red,  
life that shall endless be.

## **In Everything- Paper Horses**

### **Verse 1**

Feet on the grass, I'm listening  
I see you now in everything  
The fire, the stars, the blazing sun, all say it's true  
When I see the light, I'm seeing you  
When I see the light, I'm seeing you

### **Verse 2**

A still small voice, your frequency  
Resonates in the deepest part of me  
The wind, the storm, the morning dove all say it's true  
When I hear their song, I am hearing you  
When I hear their song, I am hearing you

### **Chorus**

In everything, in everything, in everything I see you  
In everything, in everything, in everything I see you

### **Verse 3**

Your hand in mine I'm not alone  
And it's alright to need someone  
A kindred heart a mother's arms all say it's true  
When I'm holding on, I'm holding onto you  
When I'm holding on, I'm holding onto you

### **Chorus**

In everything, in everything, in everything I see you  
In everything, in everything, in everything I see you

### **Verse 4**

A broken jar and a fragrant room  
She spends it all to honor you  
There is nothing wasted nothing more that I can do  
When I give it all, I am loving you  
When I give it all, I am loving you

### **Chorus x2**

In everything, in everything, in everything I see you  
In everything, in everything, in everything I see you

### **Tag**

I see you, I see you, I see you

***Song of Blessing lyrics***

May God give you eyes to see  
All that is good  
All that is good

The courage for anything  
May you be strong  
May you be strong

May God give you ears to hear  
Their loving voice  
Their loving voice

Speaking all around you  
All around  
And deep inside

## **Everything Is Sacred - Pat Barrett**

### **Verse 1**

Teach me that it all belongs  
That everything is sacred  
I eat the bread and drink the wine  
But help me love my neighbor

### **Pre-chorus**

Show me how to hold this life  
Cus I don't want to waste it  
No I don't want to waste it

### **Chorus**

Heaven is upside down  
It can be here and now  
Seeing it all around  
That everything is sacred

### **Verse 2**

The ordinary shines and glows  
Filled with Your intentions  
And You don't see the lines we draw  
Between secular and sacred

### **Pre-chorus**

### **Chorus x2**

### **Bridge**

Life is a gift and the Giver is good  
Life is a gift and the Giver is good  
Life is a gift and the Giver is good  
Life is a gift and the Giver is good

### **Chorus x2**

## **Altogether Good - Citizens/ Sandra McCracken**

### **Verse 1**

How could we recount the ways  
That You have multiplied our faith  
The wisdom of Your ways  
The current of Your grace expressed  
In every moment every wave

### **Chorus**

In the longing of our souls in the darkness where we go  
You are there You are love You are altogether good  
In the weakness of our faith in the silence where we wait  
You are here You're enough You are altogether good

### **Verse 2**

Through our joys and in our griefs  
You have led us to believe  
The wisdom of Your ways  
The currents of Your grace expressed  
Our only hope for all our days

### **Chorus**

In the longing of our souls in the darkness where we go  
You are there You are love You are altogether good  
In the weakness of our faith in the silence where we wait  
You are here You're enough You are altogether good  
You are altogether good

### **Bridge**

I love You Lord I love You Lord  
You are my more wholly present and pure  
You are altogether good

### **Chorus**

In the longing of our souls in the darkness where we go  
You are there You are love You are altogether good  
In the weakness of our faith in the silence where we wait  
You are here You're enough You are altogether good  
You are altogether good
