Song of Blessing lyrics

May God give you eyes to see
All that is good
All that is good

The courage for anything
May you be strong
May you be strong

May God give you ears to hear
Their loving voice
Their loving voice

Speaking all around you
All around
And deep inside

Diamonds - Taylor Leonhardt

Verse 1

Shadows can speak
Louder than anything
And you believe
The lies they're saying

Chorus

You are not an afterthought
Love Themself dreamed you up
Dressed you in diamonds
Called you Their star
You've been hiding all this time
With your hands over your eyes
I see you darling
You have my heart

Verse 2

Not good enough
That's what you tell yourself
Invisible, nobody notices

Chorus

You are not an afterthought
Love Themself dreamed you up
Dressed you in diamonds
Called you Their star
You've been hiding all this time
With your hands over your eyes
I see you darling
You have my heart
I see you darling

Bridge

You're a precious thought hidden in the
heart of God
How good it is to know you
You became a word none of us had ever
heard
How good it is to know you
How good it is to know you

Verse 3

Walk with Me now and learn a different
song
The one that I've been singing all along

Chorus

You are not an afterthought
Love Themself dreamed you up
Dressed you in diamonds
Called you Their star
You've been hiding all this time
With your hands over your eyes
I see you darling
You have my heart
I see you darling

I lift my eyes up to the hills
This my morning song, Where my strength comes from
I lift my eyes up to the hills
This my evening song, Where my help comes from

You're all around me, You're holding everything
This is the hope of every land, Just as the universe expands
Your love is reaching, You're holding everything

We lift our eyes up to the hills
When will our help come, Lord we cry how long
