

Your Love Is My Song - Porter's Gate

Your love is my song and I'll sing it
Your grace is the time and I'll keep it
I'm sticking to your rhythm my whole life long
O Lord your love is my song

I heard that song when I was younger
I got swept up in the beautiful sound
And even now in the earth full of wonder,
I hear your music all around

Your love is my song and I'll sing it
Your grace is the time and I'll keep it
I'm sticking to your rhythm my whole life long
O Lord your love is my song

I'm joining into the chorus around me,
Everyone's got something to give
I'm tuning in to the neighbor beside me
She sings the words out when I forge

Your love is my song and I'll sing it
Your grace is the time and I'll keep it
I'm sticking to your rhythm my whole life long
O Lord your love is my song

Your love is my song and I'll sing it
Your grace is the time and I'll keep it
I'm sticking to your rhythm my whole life long
O Lord your love is my song

Song of Blessing lyrics

May God give you eyes to see
All that is good
All that is good

The courage for anything
May you be strong
May you be strong

May God give you ears to hear
Their loving voice
Their loving voice

Speaking all around you
All around
And deep inside

In the Beginning Was Love - Jon Guerra

In the beginning was love
And the love was with God
And the love was God
He was with God in the beginning
And the world was made through Him
And so was I

And there was light
And the light was the light of Heaven
And there was goodness
And the goodness walked the Earth
And there was beauty
And the beauty would sing
Like a voice in the wilderness calling my name
And before I knew what love was
Love was in the beginning

In the beginning was the song
And the song was with God
And the song was God
He was the voice in the beginning
And the stars would sing for Him
And so will I

And there was light
And the light was the light of Heaven
And there was goodness
And the goodness walked the Earth
And there was beauty
And the beauty would sing
Like a voice in the wilderness calling my name
And before I knew what love was
Love was in the beginning

The light shines in the dark
The dark has not overcome it
The light shines in the dark

The dark has not overcome it
The light shines in the dark
The dark has not overcome it
The light shines in the dark
The dark has not overcome it

Love was in the beginning

God With Us - All Sons and Daughters

You've come to bring peace
To be love to be nearer to us
You've come to bring life
To be light to shine brighter in us
Oh Emmanuel God with us

Our Deliverer You are Savior
In Your presence we find our strength
Over everything our redemption
God with us You are God with us

You've come to be hope
To this world for Your honor and name
You've come to take sin
To bear shame and to conquer the grave
Oh Emmanuel God with us

Our Deliverer You are Savior
In Your presence we find our strength
Over everything our redemption
God With Us- All Sons and Daughters
God with us You are God with us
You are here You are holy
We are standing in Your glory

You are here You are holy
We are standing in Your glory

You are here You are holy
We are standing in Your glory

You are here You are holy
We are standing in Your glory

Our Deliverer You are Savior
In Your presence we find our strength
Over everything Our redemption
