

Eternal Spirit  
Earth Maker, Pain Bearer  
Life Giver, Source of all  
that is and all that will be  
Father and Mother of us all  
Loving God, in whom  
is heaven

The hallowing of your name  
echo throughout  
the universe

The way of your justice  
be done by the peoples  
of the world

Your heavenly will be done  
by all created beings

Your commonwealth  
of peace and freedom  
sustain our hope  
and come on earth  
With the bread we need  
for today, feed us  
In the hurts we absorb  
from one another,  
forgive us

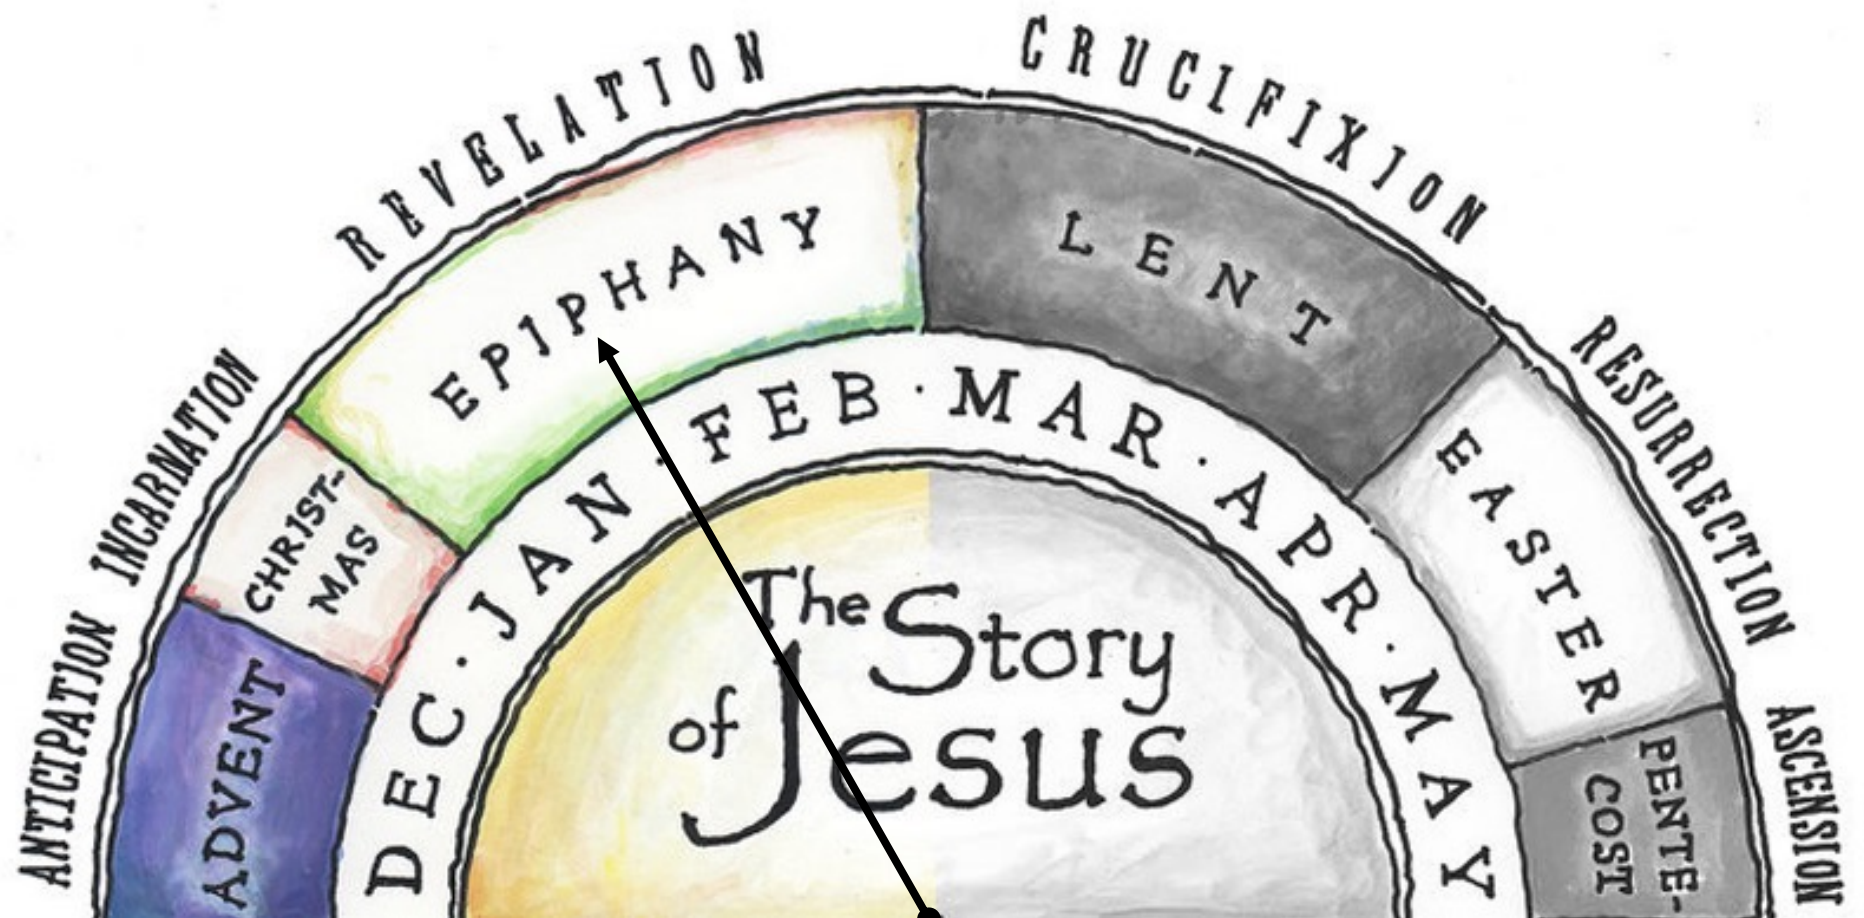

In the times of temptation  
and testing, strengthen us  
From trials too great  
to endure, deliver us  
And from the grip of all  
that is evil, free us  
For you reign in the glory  
of the power that is love  
Now and forever. Amen.

## A FEW ETHICAL NOTES

✗ This isn't who we are!

✓ I am grieved and saddened...

On May 13, 1985 in Philadelphia, the Pennsylvania State Police dropped a bomb from a helicopter onto a Black neighborhood.

11 people were killed, 5 of whom were children.

As we see ICE terrorize communities, understand that saying "this isn't who we are" is false.

I'm seeing a lot of "Mr Roger's didn't tell us what to do now" posts. And I just wanna scream, "but Black people did"

Black people have been talking about policing in this country f o r e v e r while our children and cousins and parents and partners die.

We have told you what to do over and over again.

Do you believe us now? Do you realize it has always been this bad?

Are you ready to do what is next, which is organize? 1/2

I understand what you mean. Part of me wants to be gracious. I want to welcome those who are just now waking up. I want to honor that you want to help. I want to honor the sadness of this moment. I want the movement to always be expanding. I honestly do. AND. this expression of helplessness or bewilderment is so hard to take in. It's so hard.

Because it assumes that all the Black people who have died at the hands of police thus far weren't also helpers. And so many of them were.

Philando Castile was executed in his car in front of his daughter and girlfriend outside of Minneapolis in 2016.

He had a concealed carry permit and informed the officer.

He was brutally murdered.

This terror is not new.

4. Alex Pretti was a good person with no criminal history AND folks convicted of crimes also don't deserve to be beaten/shot to death in the street  
5. White privilege ensures white people generally have a safer experience in the U.S. than POC AND resisting tyranny is inherently an unsafe activity. White privilege is a screen, not a force field.  
6. Current events in the U.S. have direct parallels to WWII Germany AND many of the N@zis' worst actions were based on anti-Black U.S. policies. 2/2

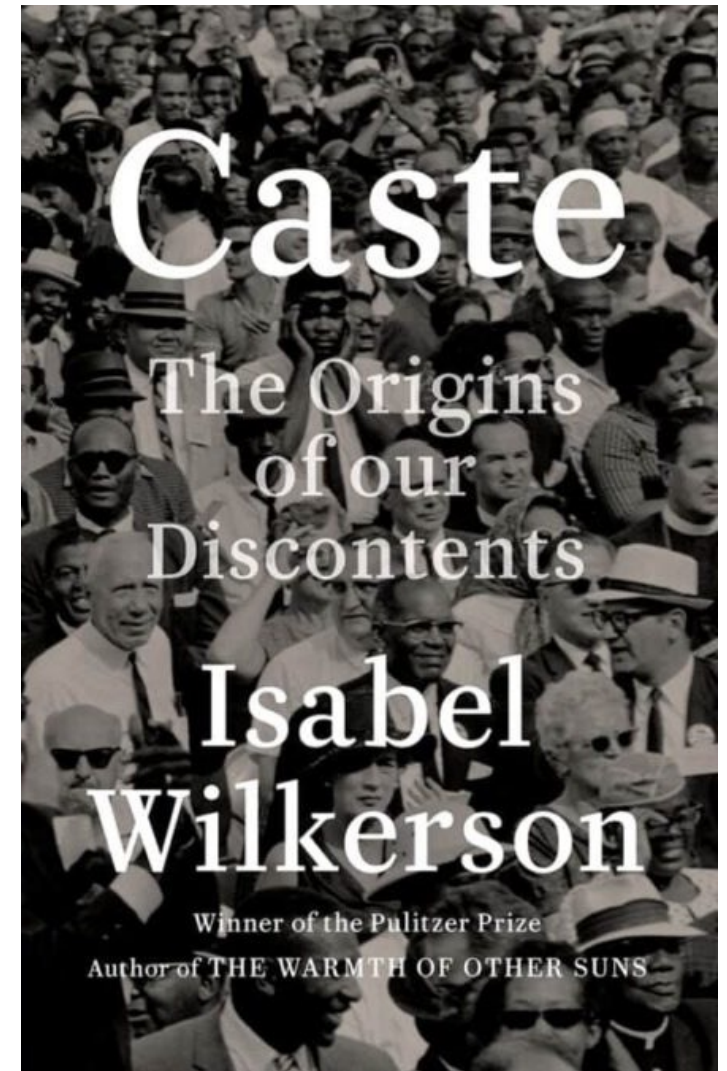

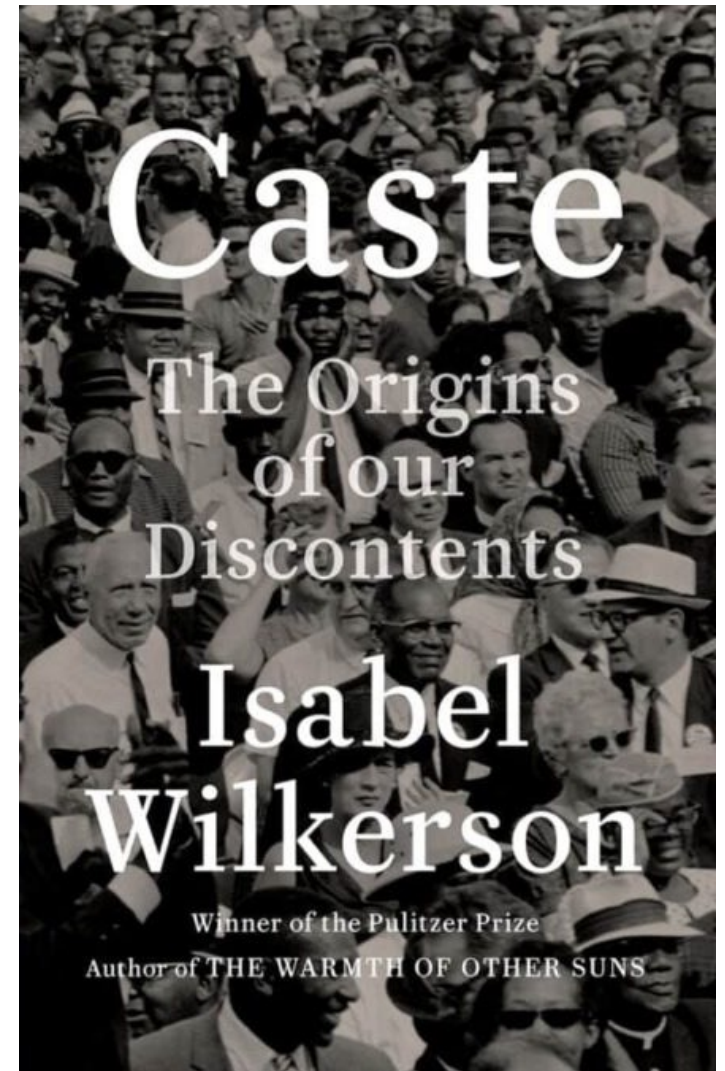

The Nazis were impressed by the American custom of lynching its subordinate caste of African-Americans, having become aware of the ritual torture and mutilations that typically accompanied them...

Hitler especially marveled at the American “knack for maintaining an air of robust innocence in the wake of mass death.”

While the Nazis praised “the American commitment to legislating racial purity,” they could not abide “the unforgiving hardness” under which “‘an American man or woman who has even a drop of Negro blood in their veins’ counted as blacks,” Whitman wrote. “The one-drop rule was too harsh for the Nazis.”

## PART IV: WORDS TO HELP US THROUGH

Don't dress avoidance up as holiness.  
Don't call silence "peacemaking."  
Don't light a candle and think  
it substitutes for showing up.  
Peace isn't what you ask for  
when the boot is already  
on someone's neck.  
Peace is what the powerful  
ask for when they don't  
want to be interrupted.

Unity isn't neutral.  
Unity that refuses to name  
violence is just loyalty to  
the ones holding the weapons.  
Stop using scripture like chloroform.  
Stop calling your fear "wisdom."  
Stop pretending Jesus was crucified  
because he preached good vibes  
and personal growth.

You don't get to quote scripture like a lullaby while injustice stays wide awake. You don't get to ask God to "heal the land" if you won't even look at the wound. There is a kind of peace that only exists because it refuses to tell the truth. That peace is a lie. And lies don't grow anything worth saving.

The scriptures...weren't written to keep things calm. They were written to help set things right. And sometimes the most faithful thing you can do is stop praying around the pain and start standing inside it. If that makes you uncomfortable, good. Growth always is.

Lord, make us channels of disturbance.  
Where there is apathy, let us provoke;  
Where there is compliance, let us bring questioning.  
Where there is silence, may we be a voice.  
Where there is too much comfort  
and too little action, grant disruption.  
Where there are doors closed and hearts locked,  
grant the willingness to listen.

**Closing Prayer**

When laws dictate and pain is overlooked...  
When tradition speaks louder than need...  
Grant that we may seek rather to do justice  
than to talk about it.  
Disturb us, O Lord:  
to be with, as well as for, the alienated;  
to love the unlovable, as well as the lovely.  
Lord, make us channels of holy disturbance. Amen.

**Closing Prayer**
