

HOW CAN I HELP?

Scatter & Serve looks very different for us during this time, but just because we have to maintain social distance, it doesn't mean we can't love and serve others! Here are some ideas you can use to spread joy and make a difference during this situation.

1 MAKE MASKS FOR HEALTHCARE WORKERS

Information on how you can make masks at home with the correct filters and designs can be found on our website. This is a project that might require a trip for supplies. We are collecting masks through April 12.

2 PREPARE GROCERY PACKS FOR REFUGEES

We have partnered with Restore Church in Silver Spring as they care for their friends in a desperate situation. Directions can be found on our website as well as lists of needed food items and drop off details.

3 PLANT SEEDS FOR NEIGHBORS OR SENIORS

We have loads of Spring flower seeds that could bring delight to our neighbors. Contact nancy@terraforma.church to pick them up.

4 CARDS AND LETTERS FOR NURSING HOMES

You and your family can show love to people feeling isolated and alone. We will collect the cards and make sure they go somewhere they will have an impact. Email nancy@terraforma.church for collection.

5 LEAVE INSPIRING MESSAGES IN CHALK

Unleash your kiddos to brighten up our sidewalks with chalk. We all need a little color and encouragement these days! Remember to stay 6 feet apart!

6 CLEAN UP COMMUNITY SPACES OF TRASH AND DEBRIS

Get out in your neighborhood with trash bags and rakes, and let's do some neighborhood "spring cleaning." Maybe you could help a senior in your neighborhood with yard work also?

7 ARRANGE BLOOD DONATION

Our hospitals have asked for blood donation to help ensure they have the supplies they might need.

8 CALL OR MAKE A VIDEO FOR SOMEONE SHUT IN

Many people are feeling very isolated and alone. Who can you reach out to just to say "hello" and share a little laughter?

9 DONATE FOOD OR MONEY TO DULLES SOUTH FOOD PANTRY

They are doing excellent work right now resourcing our neighbors, consider a generous donation. www.dsfp.org
