1

## THE WHEEL OF TIME

Ride the Ferris Wheel at National Harbor and enjoy the view. Reminisce about the "Up's and Down's" and how your relationship has grown.

2

## GO UNDERCOVER

Explore the International Spy Museum with your date. Ask them to tell you about a secret dream or desire.

3

## LOVE IS A BATTLEFIELD

Take a stroll outdoors at Manassas Battlefield. Hold hands and lovingly work on your communication skills. Bonus if you listen to Pat Benatar on the way.

4

## TAKE A TASTY TOUR

Take your person for a progressive meal, enjoying courses at at least 3 different locations. Reston Town Center or ONE Loudoun are great locations for this!

5

## THIS COULD GET INTERESTING

Play a boardgame or cards with a friendly wager. Dinner? Drinks? Let your imagination wander...

6

## BUILT TO LAST

Double date with a marriage mentor couple and solicit advice on making your marriage thrive.

7

## PLAY TOGETHER

After dinner, head to the Secret Garden at Shoe's, Cup, and Cork in Leesburg for bocce, beverages, and dessert!

8

## HOME IS THE HOTTEST

Put the kids to bed early (or send them to Grandma's) while you cook a new recipe together at home. The details make all the difference, so light the candles and enjoy.
