

THE BOHMAN FAMILY

AFRICA FIELD DIRECTOR

May 2022

Dear Praying Friends,

Since my last letter, I have been from one side of the African continent to the other! I have been in Kenya, Ethiopia, Nigeria, and Ghana, assisting new missionaries in each country. Traveling through Africa has its challenges, and this time was no exception! However, we are thankful for safety and good health during the nearly month-long trip. It is a joy to assist those who have said, "Here am I; send me!"

In Kenya, I visited briefly the David Smith family who are in language school, studying Swahili in the capital of Nairobi. Then I was off to Ethiopia where I accompanied Tim and Jennifer Bundy (at right) on their survey trip in the capital of Addis Ababa. Jennifer is the daughter of our missionaries James and Cheryl Pridgen of Uganda. What a blessing to have another second generation missionary serve on the field!

Nigeria was exciting with Garan and Anneliese Patrick (at left) as they are in their ninth month of their first term on the field. They are not only assisting with the Grace and Truth Baptist Church in the capital city of Abuja but also learning the trade language of Hausa! They have been praying for a place to start their own ministry, and while I was there, they had their first Bible study in a new area of the city with hopes that it will be the beginning of their first church! I also went soul-winning with the national pastor, and two adult men received Christ as Savior!

In Ghana, veteran missionary Harold Holdbrook (second from right) was celebrating his eightieth birthday the week I came with a new missionary Daniel Akuokoh (at left). While we praise the Lord for the Holdbrooks' longevity in ministry, it is equally thrilling to bring in a new missionary to the country!

Continue in prayer that the Lord will increase the laborers across Africa! He is calling...may we listen for His voice!

Until all nations hear,

Eric Bohman
