Dear Pastor Schutt:

Aloha from Maui, Hawaii

After 2 years March 25 ended our mask mandates and all other restrictions.

Grace Baptist Church held our first missions conference since the pandemic. It was a blessing to have Joey and Julie Bacon, Mission Director of WBFMA. John and Marjorie Malanowski missionaries to Indonesia since 1974. Scott and Beth Friedman, missionaries to Israel. Scott and Beth were sent out from Grace Baptist Church as missionaries. If you are considering supporting a missionary serving in Israel, Scott and Beth live and work in Jerusalem, I would recommend them. They are home visiting churches until August. You can reach them at scotthfriedman@gmail.com.

We had a great conference with good attendance and a great spirit. It ended on April 3 which was the 49th anniversary of Grace Baptist Church in Lahaina. We also were able to have our first fellowship since the pandemic began.

The first church we started, on the island of Kauai, will celebrate their 58th anniversary the first Sunday in December.

Arza will be having a complete knee replacement on his left knee April 13. Recovery from knee replacement is painful and difficult. We would appreciate your prayers.

Ruth and I are so thankful for your prayers and support.

Since our last letter we received support:

December \$100 - January \$100 February \$100 March \$200

Your Missionaries to Hawaii,

Arza & Ruth
