

Stephen and Leslie Carrier Church-Planting Missionaries to Chile JULY 2022

Praises

One of the young men from the English classes at Cross Baptist Church placed his faith in Christ after a youth meeting one night this month!

I received more speaking opportunities this month, and Leslie is advancing well in the language.

Prayer Requests

That the Lord will give us much fruit as we seek to revamp the outreach program at Liberty Baptist Church and see people coming to church as we advance past Covid.

We have Congreso coming up this month, which is a conference to encourage the church members to faithfully serve the Lord. It's one of our largest events of the year, and we're so excited for it.

One thing I'm beginning to learn in Chile is that there's never a dull moment. New things are happening here all the time, and we're excited to get to be a part of it.

Toward the beginning of the month, we had a thief break into the seminary. He managed to find a weak spot in the security and get around it, but thankfully he didn't get away with all that much. Over the next few nights, people would stay up keeping a watch there until we could get an electric fence put around the top. So far, he hasn't been able to get past that.

One of the opportunities I'm excited about is that Jason Holt is putting me in charge of the outreach at Liberty Baptist Church where we serve. They said that's a huge part of what we'll be doing when we start a church and this is a way during our initial training to get a lot of experience with it. We're considering many different ideas and opportunities and are praying God will use us greatly in this area.

Leslie continues learning much in language school and advancing by leaps and bounds. Here she is (right) with her language school teacher.

As has been the case for the last few months, the Lord has been allowing me several opportunities to preach and teach. One of my favorite Sundays this month was when I got to go teach a men's split session at Cross Baptist Church (Pictured above). I thoroughly enjoyed teaching about what it meant to be a faithful man and to be able to encourage their pastor, who is one of my dearest friends here.

July is going to be a packed month as well. I'll let you know how it went in about a month! As always, thank you all for your prayers and support. Until next time!
