Church planting in Warsaw, Poland

Jan - Feb

Pastor & praying partners,

Hebrews 12:1-3 “Wherefore seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us, looking unto Jesus the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of God. For consider him that endured such contradiction of sinners against himself, lest ye be wearied and faint in your minds.”

In the past two months we have heard of two new supporting churches. Although we are hearing of new supporting churches, we have also faced several supporting churches dropping our support. We are trusting the Lord with our lives and praying for His guidance and direction.

January

In the beginning of January, Rowyn was sick with an all over body rash. Thankfully it resolved relatively quickly. We then traveled out to Indiana to visit one of our supporting churches. It was a sweet time of fellowship during a cold blizzard! While we were there we visited a Polish delikatesy. It was very neat to see all the groceries and snacks we used to buy in Poland, and we even purchased a few. They were delicious! We had an orthopedic appointment for Rowyn and had X-rays done to track growth of her smaller leg. We received news that the difference in legs is only a few centimeters. This is great news as her growth indicates she either may outgrow it or will just have a minor discrepancy with no surgery needed when she gets older. Previously we were told that surgery was likely needed around age 7-8 so this was a big relief to us.

February

In February we were able to attend two Mission's Conferences. We enjoyed our time at these churches and fellowship with the members. We also were able to give an update at our home church, Bible Baptist Church of York, PA.
