May 30, 2022

Dear Friends, Family, & Fellow Supporters:

What a busy time it has been over the last two months. We ended the school year with our annual Champions for the Lord regional tournament in April and a trip to the zoo in May. We had another good year of school, even though we were down in numbers again. We only had one senior, Bryson, who did a great job completing his work early this year. We had 3 students complete the whole Bible reading competition in the second semester. They worked hard and won prizes. Please continue praying for more teachers as we will need them if we are to keep the school open.

We also had our annual Cowboy Camp Meeting in May with great preaching, singing, and meals each day. Satan fought, but God blessed as we saw alters being used all week. Nine souls were saved during the week. Busses ran safely and weather was good. We had seven different preachers for the week and enjoyed Bro. Ed Vicente leading songs and singing specials all week. We appreciate all of them for helping this year and making the Camp Meeting successful.

I was able to win 4 young people to the Lord on the bus ride home from church the other day. One of our new riders brought his friends to church, and they all got saved - praise the Lord! Summer Camps are up next. Please pray for these weeks to produce big spiritual results in the lives of so many young people. Every year we see lots of decisions made for the Lord. We are looking forward to seeing what God will do this year as well. Thanks again for all your thoughts and prayers we are grateful for all you continually do for us here in Navajo land. May God Truly Bless your summer schedules as we serve the Saviour till He comes or we go.

In Christ Unbounded Love,  
Don Chitty Jr. and Family
