

## MISSIONARY DON CHITTY JR

February/March, 2024

Dear Friends, Family, and Fellow Supporters,

We have been working what seems like overtime for some time now. So many things have happened between weather conditions and winter illness being passed around. We have had to go nonstop. Our students have missed school as the illness has been passed from student to student.

This winter has brought so much mud we had a bus get stuck and had to be pulled out. We have had to combine classes and children's ministries due to teachers being out sick. The Devil was fighting because he knew that God was working. We have had visitors coming in and folks getting saved, alters filled and prayers answered. God is Good!

We are still praying for help in the school as this year we are saying happy retirement to our longest serving teacher Mrs. Chitty. She has taught in the school since its founding in 1981. We have truly been blessed through the years with all her hard work and dedication as she always gives her best to all those students through the years. Any of us who were blessed to have her as one of our teachers know how much she instilled in us. Pray for us as no one could ever replace her, but God knows what we need to keep making a difference in our future leaders.

Easter is always a big day for us pray for us as we plan another big day this year once again. We also are planning a Soul Winning Marathon for the month of April. Our goal is to have a soul winning leader every day with soul winners out without fail throughout the month. Pray that we will be able to reach many souls for Christ.

As always we are so very grateful for all your support. May God Bless You All.

In Christ Unbounded Love,  
Don Chitty Jr. and Family
